**ED  
IN'08**

America's schools are falling behind. It's a crisis that takes leadership to solve. So to all presidential candidates we say, "What's YOUR plan to fix our schools?" We want solutions. To get them, we're launching "ED IN 08" and we're asking the public to join us.

"ED IN 08" isn't a candidate. It's a movement. Republicans, Democrats and Independents coming together to demand real solutions to improve our schools. Because if candidates aren't talking about education, they're not talking about the future.
