

Oppose the CONSOLIDATION!

Consolidating our elementary and middle schools into huge schools and large classrooms is *bad policy* for students, teachers, families, and neighborhoods.

Come let the school board know that you oppose crowding and closing of schools

Meet in the Doyle Administrative Building parking lot to the left/east of the Kohl Center at **4:30pm** (or after 5pm inside the auditorium) for the school board meeting

Monday, March 19th.
