

State Budget Advocacy Forum

Wednesday, April 1st
6:00 pm
Wright Middle School LMC
1717 Fish Hatchery Road

Faced with an unprecedented \$5.7 billion deficit, the state budget cuts programs all across state government. Come to the session to:

- Learn how the state budget affects Madison Schools
- Find out how to advocate for school resources at the Capitol
- Learn about future prospects for comprehensive school funding reform

This brief session will provide you with the tools to advocate for our schools and children.

For more information about the K-12 provisions in the state budget, [click here](#).
