ARTICLE I

Recognition

The District confirms its recognition of the Palo Alto Educators Association/California Teachers Association/National Education Association (hereinafter referred to as Association) as the exclusive representative for that unit of employees originally recognized by the District per its Resolution dated May 4, 1976.

The representation unit consists of all certificated employees with the following exceptions:

- a. All management and supervisory personnel as defined by the Educational Employment Relations Act, and
- b. Principals
- c. Assistant Principals
- d. Hourly Special Hire employees
- e. Child Development Center teachers
- f. Psychologists
- g. Deans
- h. Substitute Teachers

In the event of the creation of a new position by the District and the parties cannot agree whether the position should be included in the bargaining unit, the dispute will be submitted to the Public Employment Relations Board for determination.

ARTICLE II

Term

This Agreement shall remain in full force and effect from the date it is adopted by the District and the Association through June 30, 2010, unless mutually extended in writing by the parties. The Association shall submit its proposals to modify, amend or terminate specific sections of this Agreement for the following school year no later than February 15th. The District shall respond and submit its proposals to modify, amend or terminate specific sections of this Agreement no later than April 15th. The parties agree to reopen negotiations on Article VI and two other Articles of each party's choice for each year of the agreement. Upon receipt from the parties hereto of a timely request to modify, amend or terminate specific sections of the Agreement, the other party shall have ten (10) days to respond. Such requests to negotiate shall affect only those sections identified. Exceptions to this shall be in order to adjust any technical flaws or inconsistencies.

ARTICLE III

Association Rights

A. Use of Facilities

All Association business, discussions, and activities shall be conducted by unit members or Association officials outside established work hours as defined in Article VII herein, and shall be conducted in places other than District property except when an authorized Association representative obtains advance permission from the Superintendent or designee regarding the specific time, place, and type of activity to be conducted. Permission shall be granted if the Superintendent or designee can verify that such activities and use of facilities will not interfere with the school programs and/or duties of employees, and will not directly or indirectly interfere with the right of employees to refrain from listening to or speaking with an Association representative.

B. Association Communications

The Association shall be entitled to the use of and access to employee mailboxes for communications to unit members regarding matters which involve the Association. The Association shall also be entitled to post notices of Association concern on bulletin boards designated for exclusive use by the Association, at least one of which shall be provided in each school building, in areas frequented by employees.

All postings for bulletin boards or items for school mailboxes shall contain the date of posting or distribution and the identification of the Association. A copy of such postings or distributions shall be provided to the Superintendent or designee at the time of posting or distribution.

The Association shall make every effort not to post or to distribute information, which is derogatory or defamatory of the District or its personnel. When the District deems material to be derogatory or defamatory, the site administrator shall notify the Association representative who shall remove the material for referral to the Superintendent and the Association President or their designees. After the two officials have had a reasonable opportunity to discuss the challenged material, the material may be posted again at the Association's discretion.

C. Association Meetings

The District administration will not schedule meetings outside regular school hours on Thursdays. The Association will not schedule regular Association meetings on workdays other than Thursdays.

1. By June 15 of each school year, the Association will provide the District with meeting dates for its Executive Board, Representative Council and membership for the following school year. The District Administration will then identify twelve (12) non-Association Thursdays for non-mandatory District or Site organized events, activities, or meetings. Upon ratification of this agreement the twelve (12) days will be prorated to eight (8) for the '07-'08 school year. The Association and the District will collaborate on the use of the non-scheduled Thursdays. The District Administration or the Association may request a waiver from the other party in order to hold a meeting on a non-scheduled Thursday. The district may schedule Back-to-School Nights on any Thursday and BTSA meetings on any non-Association Thursday. The provisions of this section (C.1.) shall expire on June 15th 2009. The parties shall meet to negotiate regarding this section no later than May 1, 2009.

D. Association Information

The District shall provide the Association with names and building assignments of the bargaining unit members, without cost to the Association, no later than September 30 of each school year. The names and assignments of all bargaining unit members employed after September 30 of each school year shall be supplied to the Association within ten (10) days of the first date of their paid service.

E. Association Released Time

1. The Association shall exclusively receive time off from duties for the processing of grievances past Level I of the grievance procedure, Article V herein, for Association members who are designated as Association representatives, subject to the following conditions:
 - a. Twenty-four (24) hours prior to release from duties for grievance processing, a designated representative shall inform the immediate supervisor in order that an adequate substitute may be obtained, if such is necessary; and
 - b. That such time off shall be limited solely to representing a Grievant in a conference with management person beyond Level I, and in no way shall this limitation include use of such time for matters such as gathering information, interviewing witnesses, or preparing a presentation.
2. In addition, released time for Association business will be provided according to the following conditions:
 - a. The Association may designate representatives who shall be entitled to a total of ten (10) days or its equivalent of released time per school year for conducting business pertinent to the Association. The Association is entitled to an additional 5 days for this purpose, for which it will pay to the District substitute costs.
 - b. The Association may designate six (6) members to their bargaining team who shall be entitled to a reasonable amount of time for the purpose of negotiating with the Board and/or its designated representatives.
 - c. The District shall grant paid leave, exclusive of all other paid or unpaid leave, to the President of the Association for two-fifths (2/5) time during the school year. The duty to defend under Government Code Section 810, et seq., will apply during that portion of the assignment when the President is working under the direction of the District.
 - d. The District will provide the President of the Association an additional one-fifth (1/5) time leave of absence while serving as the President, according to the provisions and benefits of Education Code Section 22711 and 44987, and subject to the following conditions:
 - (1) The Association will reimburse the District, on an agreed upon schedule, for one-fifth (1/5) of the costs of the President's salary, retirement, benefits, and salary related costs. Failure to provide this reimbursement in a timely fashion will be grounds for the immediate termination of the leave.
 - (2) The negotiating parties agree to reopen this item for negotiations on the successor agreement. Such re-opener negotiations shall be initiated no later than May 1, 2009. If the parties are unable to reach agreement on a new provision, the leave accorded the President in subsection "c"

above shall constitute the status quo ante for purposes of negotiations under the EERA. The status quo ante, according to section “E.2.c” above, requires the district to grant paid leave to the President of the Association for one-fifth (1/5) time during the school year.

F. Agency Fee and Dues Deduction

1. Employee Rights

The District and PAEA/CTA/NEA recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join, and participate in employee organizations. Neither party shall exert pressure upon nor discriminate against an employee in the exercise of these alternative rights. Accordingly, membership in the Association shall not be compulsory.

A unit member has the right to choose: to become a member of the Association, or to pay to the Association a fee for representation services, or to refrain from either of the above courses of action upon the grounds set forth in Section 6 below.

2. Payroll Deductions

The District shall deduct from the pay of Association members and pay to the Association the normal and regular monthly Association membership dues as voluntarily authorized in writing by the employee on the District form, subject to the following conditions:

- a. Such deduction shall be made only upon submission of the District form to the designated representative of the District. Said form shall be duly completed and executed by the employee and an authorized representative of the Association.
- b. Existing administrative procedures regarding other legally authorized voluntary deductions shall be maintained. The Certificated Human Resources Office shall supply each unit member with information regarding all insurance programs and a list of items that have been approved for payment deductions. For those receiving ten warrants, double deductions shall be taken in May and June for dependent health, dental, and voluntary life insurance premiums. Such authorization may be invoked or revoked in writing by the unit member at any time.
- c. The District shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period commencing fifteen (15) days or longer after such submission.

3. Categories of Employees Excluded from Coverage

This agency fee provision shall apply to all members of the bargaining unit except for all hourly adult-education teachers and all part-time employees on less than a fifty-percent assignment.

4. Payment Method and Association Certification Requirements

- a. A bargaining unit member who is not excluded in Section 3 or not exempted in Section 6, and who has not voluntarily made application for membership in the Association within the thirtieth (30th) day following the date upon which said employee has been formally hired by the District as a bargaining unit employee, must as a condition of continued employment in the District pay to the Association a service fee. This fee

is in exchange for representation services necessarily performed by the Association in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Association.

- b. In the event that a unit member does not become a member of the Association or pay such fee directly to the Association, the District shall begin automatic payroll deduction as provided by the Education Code.
- c. Prior to beginning such automatic payroll deduction, the Association will certify to the District in writing that:
 - (1) The employee whose pay is to be affected by the deduction has:
 - (a) Refused to join the Association;
 - (b) Refused to tender the amount of the service fee as defined herein; and
 - (c) Not applied for an exemption under Section 6 herein; and
 - (2) The Association is complying with current Public Employment Relations Board Regulations regarding “Notification of Non-member,” “Filing of Financial Reports,” “Agency Fee Appeal,” “Escrow of Agency Fees in Dispute,” and “Filing of Agency Fee Appeal Procedure.”
- d. The written certification in “(c)” above, shall be a condition precedent to any collection of the service fee by the District.
- e. Upon request the Association will provide in a timely manner the District a copy of the written notice required by the regulations of the Public Employment Relations Board to be sent to non-Association members subject to the service fee.
- f. Minimum Requirements for Automatic Payroll Deduction of Fee
 - (1) The District is under no obligation to make payroll deductions for periods during which a unit member is either terminated from active employment or not on the District’s active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.
 - (2) The unit member’s earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues or service fees to be deducted.
 - (3) When a unit member is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period. In the case of a unit member who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. All other legal and required deductions have priority over Association dues and service fees.

5. Amount of Fee

- a. The amount of fee collected from bargaining unit members shall be that allowed by Section 3540.1(i)(2) of the Government Code.
- b.
 - (1) Unit members hired during the school year shall join the Association or pay a prorated service fee.
 - (2) Unit members on leave without pay, and unit members who are on laid-off status shall be exempt from these provisions herein; except

that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

- c. Any dispute as to the amount of the service fee shall be resolved pursuant to the current regulations of the Public Employment Relations Board.

6. Individual Exemptions from Obligation to Pay Service Fee

- a. Any unit member shall be exempted from the requirements of a service fee if such unit member is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting a “public employee organization” as defined by Section 3540.1(d) of the Government Code. In addition any unit member may be exempted from the service fee if such unit member registers a deep philosophical objection to financially supporting a “public employee organization.”
- b. To validly register such exemption, the unit member must submit by registered mail the statement of deep philosophical objection to both the Association and the District Certificated Human Resources Office. The registration must be made by September 30 of each school year, or within thirty (30) days of employment.
- c. Such exempt unit member shall, as an alternative to payment of a service fee to the Association, pay an amount equivalent to such service fee to:
 - (1) United Way, CHAD, or
 - (2) Palo Alto Foundation for Education, or
 - (3) Any charity or educational foundation jointly agreed upon by the District and the Association which is exempt from taxation under the Internal Revenue Code and is not affiliated in any manner with the Association, and is not related to an established religious organization.
- d. Upon request of the Association, an employee who has validly registered an exemption will be required to show proof of contribution to a charity under subsection “c” above by means of canceled check or other reasonable proof.

7. Rights of Service Fee Payors

During the term of this Agreement, any employee who pays an agency fee, in addition to the rights accorded by law, shall have the right to identify issues for the negotiations process.

8. District’s Obligation

The District’s obligations under this Article are 1) to notify any unit member who has failed to comply with the provisions of this section that, as a condition of employment in the District, such unit member must either become an Association member, pay a service fee, or establish an exempt status and make payment pursuant to the provisions of this Agreement; and 2) deduct from pay appropriate amounts pursuant to Sections 2 and 3 herein. Under no circumstances shall the District be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

9. Hold Harmless and Indemnity Provision

- a. The Association, as defined by this Agreement, shall hold the District harmless and shall fully and promptly reimburse the District for reasonable legal fees and costs incurred in responding to or defending against any claims, disputes, or challenges, which are actually brought against the District or any of its agents by other than the Association in connection with the administration or enforcement of any section of this agreement pertaining to representation fee. Such reimbursement shall include costs and attorneys' fees incurred by the District.
- b. Upon notice that the District is going to seek indemnification or to be held harmless under this provision, the Association shall have the right to meet with the District regarding the reasonableness and merit of any claim, demand, suit, or action for which the District seeks indemnification, and shall attempt to agree whether any such action listed above in "(a)" shall be compromised, resisted, defended, tried or appealed.
- c. In determining whether or not such action shall be compromised, resisted, defended, tried or appealed, the District will defer to the Association's interest if the District does not have a distinct and separate legal interest in the matter in dispute.
- d. The District shall not be entitled to be reimbursed for any fees, costs, charges, or penalties for which the Association was not properly notified and provided the opportunity to discuss as set forth herein; nor will the District be entitled to any such reimbursements when the District's efforts in defending against such action would be duplicative, or when the District is defending a separate and distinct legal interest or when the District is defending an activity which is arguably subject to criminal liability on the part of any District administrator.

10. Expiration Date of Agency Fee Provisions

It is agreed by the parties to this Agreement that the provisions, rights, and obligations herein pertaining to an agency fee shall not survive beyond, and shall accordingly expire with the term of the current contract.

G. Consulting Procedures

The Association and District have developed Consulting Procedures. These Procedures (adopted in July 1977) are included in Chapter VII of the Board Policy and Procedure Manual, which is available at each school site. Consulting Procedures are not subject to the grievance process contained in Article V of this contract.

ARTICLE IV

District Rights

A. Definitions

Except as expressly limited by this collective bargaining Agreement, and as thereafter amended or modified, it is understood and agreed by the Association that the District retains all of its powers to direct, manage and control the affairs of the District to the full extent of the law. Included in, but not limited to, those duties and powers are the exclusive right to: Determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided and the methods and means of providing them; establish its educational policies, goals and objectives; ensure the rights and educational opportunities of students; maintain the efficiency of District operations; determine the curriculum; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; and contract out work. In addition, the Board retains the right to hire, classify, assign, evaluate, promote, terminate and discipline employees.

B. Emergencies

1. The District retains its right to amend, modify or rescind policies and practices referred to in this Agreement in cases of emergency. Emergency is defined as an Act of God, natural disaster or other calamity affecting the schools. The determination of whether or not an emergency exists is solely within the discretion of the Board and is expressly excluded from the provisions of Article V, Grievance.
2. The District shall publicly announce any such amendment, modification or rescission of policies and practices together with the specific facts, which constitute the existence of the emergency. Any such amendment, modification or rescission shall last only during the term of the emergency.

ARTICLE V

Grievance

A. Definitions

1. A “grievance” is a confidential claim based upon an event or condition relating to the interpretation, meaning, or application of any of the provisions of the Agreement. Actions to challenge or change the policies of the District as set forth in the rules and regulations or administrative regulations and procedures must be undertaken under separate legal processes.
2. A “Grievant” is a person, persons or Association making a claim of improper or illegal interpretation of any of the provisions of this Agreement who is adversely affected by such application or interpretation. When the Association files on behalf of a specifically named Grievant, such Grievant shall be available at each level of this procedure to respond to inquiries by the employer. In addition, the Association may combine two or more grievances for purposes of processing and hearing, provided the individual grievances involve the same issues of fact and same provision of the Collective Agreement, and provided all Grievants involved are present at each level of this procedure and are available to respond to inquiries by the employer.
3. A “day” is any day, except those days during winter or spring vacation, in which the central administrative office of the Palo Alto Unified School District is open for business. Time limits for appeal provided in each level shall begin the day following the day that receipt of a written decision by the parties in interest was due.
4. The “immediate supervisor” is the lowest level supervisor who has been designated to adjust grievances, having immediate jurisdiction over the Grievant. Jurisdictional disputes shall be resolved by the Assistant Superintendent — Human Resources/Administration.

B. Informal Level

1. Before filing a formal written grievance, the Grievant shall attempt to resolve the grievance by an informal conference with his/her immediate supervisor who shall, within ten (10) days, attempt to resolve the grievance and report back to the Grievant. The immediate supervisor shall discuss with the Grievant those persons he/she plans to involve while attempting to resolve the grievance.
2. The informal level of the grievance shall begin within twenty (20) days after the alleged violation of the contract. The twenty-day limitation shall not apply to alleged violations of the contract which occur while staff members are on sabbatical or straight leave granted by the Board provided that the grievance is filed within twenty (20) days after returning from sabbatical or straight leave.

C. Formal Level

1. Level I

- a. If the grievance is not resolved to the satisfaction of the Grievant(s) at the informal level, the grievance shall be presented to the immediate supervisor and building principal, if they are not one and the same, within ten (10) days after the informal conference.

- b. This statement shall be a clear, concise statement of the grievance, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought.
- c. The supervisor shall communicate the decision to the Grievant in writing within ten (10) days after receiving the grievance. If the supervisor does not respond within the time limits, the Grievant may appeal to the next level.
- d. Within the above limits, either party may request and be granted a personal conference.

2. Level II

- a. In the event the Grievant is not satisfied with the decision at Level I, the Grievant may appeal the decision in writing to the Administrator of Human Resources within ten (10) days.
- b. The statement shall include a copy of the original grievance, the decision rendered, and a clear, concise statement of the reasons for the appeal.
- c. Representative(s) of the Association may attend and state their views in any meeting with the Administrator and the aggrieved person, relating to the grievance filed. A grievance may be adjusted without the intervention of the Association, as long as the adjustment is made prior to the arbitration, and the adjustment is not inconsistent with the terms of this Agreement; and provided further, the District shall not agree to a resolution of a grievance until the Association has received a copy of the proposed resolution and has been given the opportunity to file a response.
- d. The Administrator shall communicate the decision within ten (10) days after receiving the appeal. Either the Grievant or the Administrator may request and be granted a personal conference within the above time limit. If the Administrator does not respond within the time limits, the Grievant may appeal to the next level.

3. Level III

- a. If the Grievant is not satisfied with the decision at Level II, the Grievant may within ten (10) days appeal the decision in writing to the Superintendent.
- b. This statement shall include a copy of the original grievance and appeal, the decisions rendered, and a clear, concise statement of the reasons for the appeal.
- c. The Superintendent shall communicate the decision to the Grievant within ten (10) days. If the Superintendent does not respond within the time limits provided, the Grievant may appeal to the next level.
- d. Either the Grievant or the Superintendent may request and be granted a conference at a mutually agreed upon time.

4. Level IV - Mediation

- a. If the grievance is not resolved to the satisfaction of the Grievant at Level III, the Grievant may appeal, within ten (10) days of the delivery of the Level III decision, the grievance to Level IV.
- b. In such case, the Association and the District will mutually agree upon the identification of a mediator. Upon appointment of the mediator, mediation shall be scheduled according to the availability of the mediator and the parties.
- c. The mediation process shall be completed within twenty (20) days following the Grievant's appeal to Level IV, unless the parties mutually agree to extend the twenty- (20) day time requirement.

- d. If an agreement is reached, the agreement shall be written and shall be signed by all the parties to the mediation. All settlement agreements shall be non-precedential and shall constitute only a settlement of the particular grievance.

5. Level V - Arbitration

- a. If the Grievant is not satisfied with the disposition of the grievance at Level IV, the Grievant may, within ten (10) days of the last meeting with the mediator, or within ten (10) days of the expiration of the timeline in Level IV above, submit a request to the Association Grievance Chairperson, requesting that the Association submit the grievance to arbitration. If the Association Grievance Committee approves the request, the Association shall submit the grievance to arbitration by giving written notice to the Superintendent's Office within fifteen (15) days after the date the request is made of the Association by the Grievant.
- b. Within ten (10) days after such written notices of submission to arbitration, the Superintendent's Office and the Association shall request jointly the State Conciliation Services to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of the striking shall be determined by lot.
- c. The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the Grievant. All other expenses shall be borne by the party incurring them.
- d. Once the arbitrator has been selected, hearings shall commence at the convenience of the arbitrator. The arbitrator shall hear evidence and render a decision on the issue or issues submitted to him. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
- e. The arbitrator shall have no power to award punitive damages, make class action awards, except where the class is properly identified at Level I of the procedure, or make money damage awards effective any date earlier than up to one year prior to the date the grievance was filed, except as provided by law.
- f. The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules, regulations, and procedures of the District.
- g. Issues arising out of the exercise by the Board and administration of its responsibilities under Article IV (District Rights) of this Agreement, including the facts underlying its exercise of such discretion, shall not be subject to this arbitration procedure.
- h. After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his findings and recommendations and shall set forth the arbitrator's reasoning and conclusions on the issues submitted.
- i. The arbitrator's decision is final and binding except that the arbitrator's award must be supported by the preponderance of the evidence and in conformance with law. Such awards are specifically reviewable by the Superior Court pursuant to the processes and procedures set forth under the California Code of Civil Procedure.

D. Miscellaneous

1. No reprisals of any kind shall be taken by the District or the Association against any participant in the grievance procedures.
2. A unit member may be self-represented or have a representative of the unit member's own choice at all formal levels of the grievance procedure below Level V.
3. When a Grievant is required to appear before an agent of the employer, or the employer, the meeting shall be at a mutually agreed upon time and the Grievant shall be given the reasons for the required appearance.
4. All grievances shall be treated as confidential matters and as such only persons who are necessary to the processing of the grievance or to the adjustment of the grievance or necessarily involved in the investigation of the grievance shall have access to information concerning the grievance.
5. Nothing contained herein shall deprive any unit member of any legal right that he presently has.
6. Any expenses incurred shall be borne by the parties incurring them, except as provided for in Level V.
7. Any employee who is requested to appear in such conferences or hearings as a witness during working hours shall be accorded release time, but not the cost of a substitute. Witnesses shall be informed that their testimony shall be kept confidential unless they choose to make it public.
8. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
9. Neither the employer nor the Association shall be permitted to assert any grounds or evidence before the arbitrator that was not previously disclosed to the other party. The arbitrator shall consider only those issues that have been carried through prior steps as required by the provisions of the procedure.

The Superintendent, or his designee, and the Association agree to make available to both parties all pertinent information, not privileged under law or employer policies, in their possession or control and which is relevant to the issues raised by the grievance.
10. If the Association and the Superintendent, or the Superintendent's designee, agree in writing, the grievance may be brought directly to any higher level of the grievance procedure. Time limits may be shortened or extended.
11. A grievance may be withdrawn at any level without establishing precedent.
12. A decision rendered at any level shall be considered final unless an appeal is registered within the limit specified. If a decision is not given to the aggrieved party within the time limit, an appeal may be taken to the next level.
13. Nothing in these grievance procedures is meant to deny to either the Association or to the District the right to complain directly to the other, at whatever level seems appropriate, about the handling of issues that appear elsewhere in this contract other than in the articles on Association Rights or District Rights. Such discussions shall not be matters of formal grievance procedures unless both parties agree that formal grievance procedures should be entered into as a possible way of avoiding a contest over unfair labor practices with the Public Employment Relations Board.

ARTICLE VI

Compensation and Benefits

A. 2008-09 Teachers' Salary Schedules

1. Effective July 1, 2008, unit members will be paid on the basis of the Teachers' Salary Schedule, Appendix A, which is incorporated into this agreement by reference. The 2008-09 Salary Schedule shall reflect a two and one-half percent (2.5%) increase over the 2007-08 schedule, effective July 1, 2008. In addition, each unit member who was employed by the District in 2008-09 on Salary Schedule A and who was employed by the District at the time of ratification of this agreement by the Board, will receive a one-time, lump sum payment, equal to two and one-half percent (2.5%) on the 2007-08 salary schedule, prorated for less than full-time service.
2. The salary schedule for 2009-10 will be subject to reopening of negotiations as set forth in Article II.
3. Unit members who have been successful in achieving certification through the National Board for Professional Teaching Standards will receive the stipend specified in Appendix A. The stipend will be granted for the school year in which the teacher receives notification that Board certification has been achieved and will be effective on the date the certification is awarded. The stipend will be granted each year during which the certification is valid. The Board certification stipend will not be granted in any year in which the unit member receives a stipend of equal or greater value from the State.
4. Unit members who have been successful in achieving a Certificate of Clinical Competence (CCC) issued by the American Speech and Language Association will receive the stipend specified in Appendix A. The stipend will be granted for the school year in which the teacher receives notification that Board certification has been achieved and will be effective on the date the CCC is awarded. The stipend will be granted each year during which the certification is valid. The Board certification stipend will not be granted in any year in which the unit member receives a stipend of equal or greater value from the State.
5. Masters, doctoral, NBPTS and CCC certification stipends are part of the full time base salary and will be prorated for unit members who are employed part-time. As part of the base salary, percent increases applied to the salary schedule will also apply to these stipends.

B. Benefits

1. Retirement and Workers' Compensation

The District shall pay the increased employer costs of all benefits in this section during the duration of this contract.

2. Unemployment Insurance

The District shall pay the cost of this item, if mandated by law during the duration of this contract.

3. Life Insurance

For the duration of the contract, the District shall continue the present policy coverage for employees at the same level ($1\frac{1}{2}$ times annual salary) and shall pay the premiums for each employee who works fifty percent (50%) or more time.

4. Medical, Dental, and Vision Insurance

- a. The District and PAEA are committed to providing unit members with cost effective health insurance coverage with plan choices and family coverage. Therefore, they each hereby instruct their appointed representatives to the Joint Benefits Committee to explore all options, including but not limited to:
 - (1) Changing carriers
 - (2) Changing coverage levels
 - (3) Changing rate structures
 - (4) Changing eligibility requirements

To achieve our joint goal, the Committee shall make every reasonable effort, depending upon obtaining information from the benefits consultants, to issue its recommendations to the parties no later than September 10, 2009. Within two weeks of receiving a recommendation from the Joint Committee, the District and PAEA shall meet to negotiate this Article for the 2009-10 school year.

- b. Effective January 1, 2009, and through December 31, 2009, only, the District shall contribute up to an amount necessary per eligible employee for health (medical under the 2008-09 Anthem Blue Cross HMO family rate, dental, vision and life) insurance per year. Unit members who are eligible for fully paid health benefits shall participate in one of the medical programs, plus the dental, vision, and life.

Absent any written subsequent agreement to the contrary, the District's obligation on and after January 1, 2010, to contribute towards health benefits shall not exceed the product of \$12,125 multiplied by the number of employees in the bargaining unit divided by twelve (12) equal monthly payments. The dollar amount specified in this section sets no precedent regarding the District's obligation to provide benefits at any particular plan level in future years. However, the District's obligation to pay premium costs at the January 1 to December 31, 2009 level shall continue until a subsequent agreement regarding health and welfare benefits is reached or until the automatically applied \$280,000 below is expended, whichever comes first.

Beginning January 1, 2009, the District will automatically contribute \$280,000 to defray any increased cost of benefits for the 2009 benefit year above the District's contribution of the product of \$12,125 multiplied by the number of employees in the bargaining unit as outlined in this section.

From January 1, 2009 to December 31, 2009, employees who elect for the Anthem Blue Cross PPO plan shall pay through monthly payroll deductions in advance of the month of coverage the difference in the cost of the Anthem Blue Cross HMO and the corresponding Anthem Blue Cross PPO plans.

The District will provide coverage to domestic partners of unit members, provided the definition of domestic partnership meets all the criteria of Section 297 of the California Family Code, and provided further that the unit member presents the District with proof that a valid declaration of domestic partnership has been filed pursuant to the above Family Code section or with any local agency registering domestic partnerships. At any time during this agreement, the carriers and the benefits specifications may be changed through negotiations if the parties mutually agree.

- c. Joint Benefits Committee
 - (1) The District will form a Joint Employee-Employer Benefits Committee, comprised of four (4) appointees each of the Association, the District, and CSEA and one (1) appointee from PAMA.
 - (2) The purpose of the Committee will be to consider and make recommendations to the negotiating teams regarding matters related to medical, dental, and vision benefits, including the following:
 - (a) To explore alternative indemnity carriers and/or modification of current indemnity benefit specifications;
 - (b) To recommend employment of the necessary professional advice regarding medical, dental and vision programs; and
 - (c) To review and make recommendations on any cost savings or cost containment measures, including brokerage/sales fees, pre- and post- admissions review, contracting with local hospitals, and utilization review.
 - (3) The respective parties will make their appointments annually by December 15 of each year. The first meeting will be scheduled by the District Human Resources Office; thereafter meetings will be scheduled by consensus of the Committee. Released time will be provided for the committee members.
- d. No person shall be covered under more than one plan paid by the District. An employee with a spouse or partner who is also employed by the District would be covered in the following manner:
 - 1) No dependents: (a) each may be covered under single party coverage or (b) one two-party coverage policy.
 - 2) One dependent: (a) single coverage policy for one employee and two-party coverage for spouse/partner and dependent or (b) one family coverage policy.
 - 3) Two dependents: (a) two-party coverage for each employee with one dependent or (b) one family coverage policy.
 - 4) Three or more dependents—family coverage only (includes both employees and dependents).
- e. Employees eligible for full-time medical coverage who provide proof of comparable medical coverage through a non-District spouse or legal partner may chose to decline District medical coverage and receive \$2500 in ten (10) equal payments. It is within the sole discretion of the District to continue this provision for each successive year of this agreement.
- f. Part Time Employees
 - (1) Employees must work one-half (.5) of a full time equivalent (FTE) position or more to be eligible for health, dental, vision and life insurance coverage.
 - (2) For employees whose first date of paid service is before July 1, 2004, the District's contribution for health insurance benefits (medical, dental, vision and life) shall be equal to that for full time employees. Employees whose first date of paid service is before July 1, 2004, who are laid off and are rehired within thirty-nine months shall come under this rule.
 - (3) For employees regularly assigned at least .5 FTE but less than 1.0 FTE whose first date of paid service is on or after July 1, 2004 (seniority date), the District's contribution for health insurance

benefits (medical, dental, vision and life) shall be prorated based upon a full time assignment. If the employee elects to participate in the District's health plans, the part time employee shall pay the balance of the premium cost through monthly payroll deductions in advance of the month of coverage. Employees whose first date of paid service is before July 1, 2004, who resign and are rehired after July 1, 2004 shall come under this rule.

- (4) Summer school employment shall not be considered for purposes of eligibility for health and welfare benefits.

C. Salary Advancement

1. Step Advancement

Unit members (including those members with part-time assignments) who work at least seventy-five percent (75%) of the days required for their assignment shall have that year count as a year of experience for salary purposes and shall move one step on the certificated employee salary schedule. Unit members (including those members with part-time assignments) whose assignments do not span the length of a full school year shall not be eligible to move one step on the salary schedule. The District shall use both days worked and personally accumulated sick leave used during the year to calculate the number of days of service for a given school year.

In addition, the Superintendent, or his designee, shall approve all additional minimum days or any departure from the established hours prior to a change in any such schedule at a particular school within the District.

C. Working Days

1. The work year shall be 186 days. If the District requires a unit member to work additional days, said unit member shall be compensated at a daily rate in accord with his placement on the salary schedule. Three workdays are contingent upon the District's continued ability to receive funding according to Education Code Section 44579.
2. The work year for unit members appointed by the District to be District Teachers on Special Assignment (DTOSA) shall be 200 days. This work year does not apply to a unit member appointed by a site to be Site Teacher on Special Assignment (STOSA).

The five (5) additional workdays may occur before first teacher workday and/or after the last teacher workday of the school year. The school principal shall determine the specific workdays, in consultation with the counselor. If the District or school principal requires a unit member to work additional days, said unit member shall be compensated at a daily rate in accord with his/her placement on the salary schedule. Three workdays are contingent upon the District's continued ability to receive funding according to Education Code Section 44579.
4. In developing the work calendar for the succeeding school years, the parties will use the following process:
 - a. By November 1, the negotiating teams for PAEA, CSEA, and the District will publicly meet and negotiate over the work calendar.
 - b. The tentative agreement will be forwarded to the Board of Education for consideration in a session open to the public.
 - c. If the Board does not adopt the tentative agreement, the joint parties will meet and negotiate again, or at the election of PAEA, will meet and negotiate separately on mandatory subjects related to the school calendar.

D. Job Sharing

1. Definition: Job-sharing shall refer to two (2) permanent staff members or one (1) permanent staff member and a retired former PAUSD permanent staff member, when no other current permanent staff member is available, sharing one (1) assignment in order to accommodate staff members. Temporary staff members who are in a job-share assignment for the 2005-06 school year and who were in a job-share assignment in the previous year shall be eligible to continue to serve in a job-share assignment in 2006-07 and to continue thereafter notwithstanding the requirement that both members of a job-share have permanent status.

2. Any assignment openings may be available to unit members who have indicated in writing to the Certificated Human Resources Office their desire to job-share. Job-share requests denied at the school site level may be submitted, by the permanent staff member(s), to the Assistant Superintendent Human Resources for review.
3. Job-sharing assignments shall be filled only by permanent staff members, except as provided in D-1 above, who have jointly requested to work together and who have the approval of their supervisor(s). No job-sharing may be administratively mandated for any reason.
4. Responsibilities of an assignment by two (2) job-sharers may be divided and/or allocated according to a plan designed by the job-sharers, with the concurrence of their immediate supervisor. This shall include, but not be limited to, attendance at regular staff meetings, District meetings, parent conferencing, etc.

He/she shall return to a full-time status, provided there is an appropriate vacancy for which the unit member is qualified by specific training or experience.

ARTICLE VIII

Transfers

A. Definitions

A transfer is a movement of a unit member to a different level (elementary, middle, high, or alternative program) or site. Transfers are seen as a means to facilitate and support professional growth or to meet specific individual, site, or district needs. A transfer may be initiated by either a unit member, his/her principal or supervisor, or the Superintendent. The District shall attempt to make transfers on a mutually satisfactory basis among unit members. Teachers shall be assigned to teach within the authorizations of their teaching credentials and, to the extent possible, within their major or minor fields of study.

B. Information on Teacher Needs

Early in February of each year, information shall be requested from unit members regarding their plans for the ensuing school year. Results of this survey provide preliminary information on personnel needs for the fall semester. At all times information on current vacancies shall be available to employees. A current list of vacancies shall be posted on the PAUSD Web site.

C. Transfers Initiated by Unit Member

1. Unit members are encouraged to apply for self-initiated transfers after a number of years at the same site. If a unit member desires a transfer, the unit member shall submit a transfer request, using the District form, to his/her principal, department head, or the Superintendent or his/her designee. It is desirable, but not necessary, for a unit member to discuss interest in a transfer with his/her supervisor. The Superintendent or his/her designee shall acknowledge receipt of transfer requests within five days of receipt; and unless special arrangements are made, shall notify the supervisor when the written transfer request is received.
2. The Human Resources Office shall develop a system for notifying unit members who have informed Human Resources of an interest in a transfer of certificated vacancies in the district. Unit members are encouraged to check the PAUSD Web site regularly for the most up-to-date vacancy information.
3. Transfer requests from permanent employees for positions for which they are credentialed and qualified are assured consideration before requests from temporary or probationary employees. When an opening occurs, the receiving principal or other responsible administrator shall screen those requesting transfer to his/her building or department and interview those deemed most qualified. The interviewer shall notify the individual selected, as well as those interviewed, of the final decision as soon as possible.
4. A unit member who initiates a request for transfer need not accept a position/assignment offered, but may remain in his/her present role.
5. The deadline for self-initiated transfer requests is March 31 preceding the September effective date. In the event a vacancy occurs after March 31, then the deadline is extended to 5 school days after the vacancy is posted.

D. Transfers Initiated by Principals, Supervisors, or District Administration

1. The central administration or a site principal or supervisor may initiate teacher transfers in order to meet the staffing needs of the District or site.
2. Staffing needs of the District or site that may be considered when initiating transfers include, but are not limited to:
 - a. Special qualifications;
 - b. Minority representation;
 - c. Male-female balance;
 - d. Varied length of service at the site or in the department;
 - e. Level of experience and expertise; and
 - f. Staff collaboration and teamwork.
3. Before an administrative transfer is initiated, each person affected by the proposed transfer shall participate in a conference with the principal and the administrator of Human Resources. The parties will discuss the issues giving rise to the transfer, explore possible options to resolve the issue other than a transfer, and seek mutual agreement on a resolution. If an administrative transfer is initiated, the District will provide a written response as to the reasons for the transfer.
4. Administrative transfers will not be made for disciplinary purposes.
5. In considering administrative transfers, every effort shall be made to place a unit member who meets the PAUSD Teaching Performance Standards in an appropriate assignment, as perceived by the unit member and his/her supervisor.
6. When considering involuntary staff transfers, if an employee has signed a formal agreement with the District to retire at the end of the next school year, the District administration shall make a good faith effort to keep the employee at the same school site during the last year of employment.

E. Transfers Resulting from School Closure or District Reorganization

A committee consisting of four (4) representatives each from the Association and the District shall meet to review transfer procedures if or when school closure or District reorganization occurs.

F. Newly Created Certificated Positions

Newly created certificated positions within the bargaining unit shall be advertised in accordance with District procedures and shall include the job description and necessary qualifications.

ARTICLE IX

Class Size

The following provisions will become effective July 1, 2002:

A. Class Size Staffing Ratios

The class size staffing ratios within each school shall be based on the following:

Grades K-3	One teacher per average of 20 students
Grades 4-5	One teacher per average of 20.0 students
Grades 6-12	One teacher per average of 28.5 students
Grade 6 (Core)	One teacher per average of 24.0 students
Grades 7-8 (Math and English).....	One teacher per average of 24.0 students
Grade 9 (English and Math).....	One teacher per average of 20.0 students and as required by Education Code
Grade 10 (English)	One teacher per average of 24.0 students

B. Class Size Reduction Funding

1. Class Size Reduction Funded By State

The grades K-3 staffing ratio and the grade 9 English and math staffing ratio are contingent upon the continued funding of the State Class Size Reduction Program. If the State funding ceases or is reduced, the Board may reinstate the appropriate below listed ratios that existed before the existence of the State Class Size Reduction Program.

2. Class Size Reduction Funded By Local Revenue Beginning 2002-2003

The staffing ratios for grades 4-5, for the core at grade 6, for English and math at grades 7 and 8, and for English at grade 10 are contingent upon the continuation of the parcel tax adopted in June 2005, and the continued growth in local property tax revenue. In any year, if the parcel tax is not renewed, or if the Santa Clara County Controller-Treasurer's August property tax projection for ensuing fiscal year is 0.0% percent or less, the Board may reinstate to the appropriate below listed ratio(s). Upon deciding to activate the contingency concerning property tax growth for the following fiscal year, the District will notify the Association in writing, and will provide the Association with the information and data upon which the District's decision was based.

3. Prior Ratios

K	One teacher per 27 students
Grades 1-5.....	One teacher per 27.5 students
Grades 6-12.....	One teacher per 28.5 students

C. Remediation Measures

1. If the average daily enrollment in any K-5 class exceeds twenty-two (22) for more than ten (10) school days after the eleventh day of the school year, the remediation measures of paragraph 3 below will apply. This remediation will be retroactive to the first day on which the class size exceeded 22. Except for this provision, any enforcement of the K-3 standards or any penalties or other remedies will be only through the appropriate State rules and regulations.

2. If the class size staffing ratio for grades 6 through 12 within a school exceeds the above listed averages on the eleventh day of the school year and/or the beginning of the second semester, the remediation measures described in paragraph 3 below will apply.
3. When remediation measures apply, the principal and staff members involved shall explore and mutually discuss the following methods for remediation, and thereafter the principal shall select from the following options:
 - a. Aide assistance (16 hours per day of aide time = one teacher for purposes of this article).
 - b. Additional aide time.
 - c. Transfer of pupils.
 - d. Hiring of additional teacher(s).

Or, if after discussion, none of the above options is feasible, the option of equivalent funds in lieu of personnel can be utilized.

In the case of remediation in grades 6 through 12, the principal will present the remediation plan to the staff by the twenty-first day of the semester or school year, whichever is appropriate. In the case of remediation in grades K- 5, the plan will be presented within 10 school days of the date on which the criteria for remediation are met.

4. The District shall provide the Association with the class size school average statistics as of the eleventh day of the school year, or thereafter on request. The Association's building site representative may participate in the remediation discussion.

ARTICLE X

Evaluations

A. Introduction

1. The District and the Association mutually agree on the importance of an evaluation system that:
 - a. Acknowledges excellence in teaching, encourages risk-taking and collegiality for professional growth, and supports those needing assistance;
 - b. Is based on standards of excellence that are well known and that are applied with clarity, consistency, and fairness for all teachers;
 - c. Allows administrators, teachers, parents, and students to work together efficiently and effectively to continuously improve education in our schools.
2. This article shall be implemented in accord with the guidelines of the Board Policy and Procedure Manual, VI-J-2 Staff Evaluation. (This policy is included as Appendix I as an attachment to the contract for information purposes but is not subject to the grievance procedure.)
3. Every certificated person in the District is, for the purposes of this Article, a staff member. Some staff members are also supervisors. Anyone who has a responsibility for the supervision of other certificated staff members is a supervisor for the purposes of evaluation. For example, in the case of secondary schools this refers to the instructional supervisor, the principal, and other site administrators. Therefore, supervisors carry responsibilities as both staff members and supervisors for different aspects of the evaluation process.
4. In elementary and secondary school, the principal has ultimate responsibility for evaluating staff members. In the secondary schools, the principal may share this responsibility with instructional supervisors and/or other site administrators. By September 30 of each school year, staff members on the formal assessment schedule shall be notified by the Certificated Human Resources office of the name(s) of the person(s) responsible for their evaluation.
5. The responsibilities and duties enumerated in this section are listed to indicate activities that help accomplish the goals of evaluation. It is not necessarily an all-inclusive list. Staff and supervisors are encouraged to design and implement other activities that help fulfill the goals of evaluation.

The following procedures shall be followed in the event of a disagreement between the staff member and the supervisor regarding the professional development plan or classroom observations.

- 1. The staff member and the supervisor shall make good faith effort to resolve the disagreement themselves.
- 2. If the disagreement persists, the parties may together invite a third party to assist in resolving the disagreement.
- 3. If the third party is not successful in helping the staff member and supervisor to resolve the disagreement, the staff member, supervisor, and the third party shall each have the opportunity to state his/her position on the matter(s) in dispute and to have a written statement attached to the observation report or professional development plan. If necessary, a Human Resources administrator shall make the final decision on the matter(s) in dispute.

E. Responsibilities of the Superintendent and His/Her Staff

- 1. To ensure fairness in the evaluation process by:
 - a. Consulting with supervisors to ensure that judgments are based upon appropriate data;
 - b. Helping supervisors identify and assist staff members who do not meet PAUSD Teaching Performance Standards, or assisting those staff members directly;
 - c. Developing forms for the recording of observations and for the summary evaluation consistent with the contract and with the agreement of the Association; and
 - d. Reviewing completed summary evaluations.
- 2. To provide for training of staff members who must evaluate the work of others.
- 3. To make decisions regarding the initiation of termination of a staff member, pursuant to the Education Code.

F. Responsibilities of the School District

- 1. To provide the resources necessary for carrying out this process, including, but not limited to, the following:
 - a. Time for supervisors and staff members to confer in order to develop the professional development plan;
 - b. Training on the process of developing professional development plans and assessing staff member performance; and

4. To specify the District goals and any specific objectives of a management team member or of any other supervisor if those objectives affect the staff member(s).
5. To provide resources determined by the District to assist staff members in pursuing their professional development plans.

G. Chronology

1. Evaluation tables are listed for Plans 1, 2A, 2B, and 2C describing the procedures for both formal evaluation years, in which summary evaluations are required, and informal years, in which no written summary evaluation is required.
2. All temporary and probationary staff members will follow the chronology given for Plan 1, which involves formal evaluation every year.
3. All permanent staff members with fewer than ten years experience in the District will follow either Plan 2A or Plan 2B (two-year cycle), having a formal evaluation (written summary evaluation) every other year except when:
 - a. The staff member has been placed under Evaluation Plan 3: Does Not Meet Standards — Support/Improvement Plan Implemented;
 - b. The staff member has been placed under Evaluation Plan 4: Does Not Meet Standards — Administrative Review.
4. All permanent staff members with ten years or more experience in the District, unless requesting Plan 2B (four-year cycle), shall follow Plan 2C, having a formal evaluation (written summary evaluation) every four years and a professional dialogue with reflective review with the supervisor in the second year of the cycle, except when circumstances exist as detailed in G.3.a. and 3.b. listed above.
5. The target dates listed in the tables do not necessarily preclude those activities from also occurring during other times of the year.
6. This Chronology by itself does not give a complete picture of the evaluation process. It must be looked at in conjunction with the responsibilities listed on the previous pages. Further, the establishment of the following target dates is not meant to ignore the importance of ongoing informal meetings between the supervisor and the staff member. Such meetings are an important part of the evaluation process.
7. The target dates listed in these tables are dates by when the procedures are expected to be accomplished, although exceptions may be made. If procedures are not accomplished within two weeks after the target dates listed, some final judgments about the staff member's performance that year may be impossible or inappropriate. If a staff member or supervisor does not accomplish his/her responsibility within two weeks after a target date, that may be reflected in that staff member's evaluation.
8. During the informal evaluation year, staff members will be expected to review and revise their professional development plans, and may use a variety of methods for assessing progress on their professional development plans, including self-evaluation. Informal meetings with supervisors are encouraged.

H. Evaluation Plan 3: Does Not Meet Standards: Support/ Improvement Plan Implemented

1. Placement on Plan 3 is the result of a staff member's failing to meet one or more of the PAUSD Teaching Performance Standards, as identified by the building principal and supervisor working in consultation with the Superintendent's staff. While placement on Evaluation Plan 3 may occur during the spring reviews, a staff member shall be placed on this plan whenever it is deemed necessary by the building principal/administrator.
2. Prior to a teacher's being formally assigned to Plan 3, the following procedures will be followed:
 - a. If the supervisor determines that a teacher's performance does not meet all PAUSD Teaching Standards, s/he and the teacher will develop a plan to address concerns over an informal support period of 4 to 8 weeks. The principal/administrator and supervisor shall notify a PAEA representative chosen by the teacher and a Human Resources administrator of the discussion.
 - b. At the end of the agreed-upon informal support period, if the teacher's performance does not meet standards, the principal/administrator and supervisor shall notify the teacher in writing that s/he is being placed on Evaluation Plan 3.
 - c. If a teacher has previously been given the opportunity to address performance concerns through this type of informal support period, it is the prerogative of the principal/administrator to assign the teacher directly to Plan 3 should the same or other concerns surface at a later date.
3. While the principal or supervisor may request any assistance or resources that she/he deems appropriate, the responsibility for monitoring and supervising staff placed on Evaluation Plan 3 is the responsibility of the principal/administrator and supervisor as identified at the beginning of the school year.

I. Procedures for Evaluation Plan 3

1. All general procedures for the staff member and the supervisor listed in C.2.a(1) and C.2.a(2) are required here. In the case of conflict between those general procedures and these specific procedures, these specific procedures apply.
2. A staff member placed on Evaluation Plan 3 shall be notified of this by both the principal/administrator and a Human Resources administrator.
3. When the teacher has been placed on Plan 3, the teacher, the principal, the supervisor(s), a Human Resources administrator, and at the teacher's request, a PAEA representative of the teacher's choice will develop a support/improvement plan, which shall specify:
 - a. Time span of the plan, not to exceed 18 weeks;
 - b. Performance concerns, including the PAUSD Teaching Performance Standards to be addressed;
 - c. Support to be provided to the teacher, including mandatory referral to the Peer Assistance and Review Program if the standards to be addressed are in Cluster 1, Management and Monitoring of Student Learning, Cluster 2,

Commitment to Students and Learning, or Cluster 3, Knowledge of Content and How to Teach. Except for participation in the PAR Program, the teacher may choose not to use this support.

- d. Process and schedule for gathering parent/student input, if deemed by the supervisor to be a necessary part of the plan;
 - e. Information about classroom observations to be made, which may be announced or unannounced;
 - f. Description of what will be considered satisfactory progress toward meeting standards, to be used in consideration of an extension of the support period (see “5(b)” following); and
 - g. Dates of written progress reports and summary evaluation.
4. At least every 6 weeks the supervisor shall complete a written report on the teacher’s progress and discuss it with the teacher. Each report will clearly identify which standards remain to be met.
 5. At the end of the period specified in the support/improvement plan the principal/administrator, in consultation with the supervisor, will write a summary evaluation of the teacher’s performance.
 - a. If the principal/administrator, in consultation with the supervisor, determines that the teacher meets all standards, s/he will be placed on Evaluation Plan 2A and will receive a summary evaluation in the following school year. Thereafter, the teacher may select evaluation under Plan 2B, or under Plan 2C if the teacher has been employed by the District for ten years or more.
 - b. If the principal/administrator, in consultation with the supervisor, determines that a teacher has made satisfactory progress but still does not meet all standards, an extension of Plan 3 may be granted for up to 18 weeks. A definition of what will be considered satisfactory progress will be included in the original support/improvement plan.
 - c. If the principal/administrator, in consultation with the supervisor, determines that a teacher has not made satisfactory progress toward meeting all standards, the teacher will be placed on Evaluation Plan 4.
 6. The support/improvement plan and summary evaluation required under Plan 3 will be placed in the teacher’s personnel file.

J. Evaluation Plan 4: Does Not Meet Standards: Administrative Review

1. A teacher not meeting one or more of the PAUSD Teaching Performance Standards and not making satisfactory improvement during a period of support in Plan 3 shall be evaluated under Plan 4. Evaluations of staff members under Plan 4 are structured to accumulate a file that demonstrates the quality of the staff member’s performance and the efforts expended in assisting the staff member to improve performance. Evaluation Plan 4 requires careful monitoring and analysis of the staff member’s performance. The District may begin termination procedures for unsatisfactory performance pursuant to the Education Code at any time while the teacher is being evaluated under Plan 4.
2. The Superintendent’s staff, in consultation with building principals and other administrative personnel, shall identify individuals to be placed under Evaluation Plan 4. The staff member shall be notified of this decision at a meeting with the principal/administrator and a member of the Superintendent’s staff, in order to delineate clearly concerns associated with the staff member’s performance.

a. Procedures for Evaluation Plan 4

- (1) School and District administrators shall revise the teacher's support/improvement plan (created in Plan 3) to include more frequent observations and conferences and more direct intervention in the classroom. The maximum duration of this support/improvement plan will be 9 weeks.
- (2) At least every 2 weeks the principal/administrator shall complete a written report on the teacher's progress and discuss this report with the teacher.
- (3) The principal/administrator shall write a summary evaluation by a date specified in the support/improvement plan, but no later than 9 weeks after the time the teacher is placed on Plan 4. This evaluation will be reviewed by the Superintendent's staff.
 - (a) If the principal/administrator and Superintendent's staff determine that the teacher meets all standards at the end of the support period, the teacher will be evaluated by Plan 2A for the remainder of that school year and the following year, receiving a summary evaluation by May 1 in each of those years. Thereafter, the teacher may select evaluation under Plan 2B.
 - (b) If the principal/administrator and Superintendent's staff determine that the teacher does not meet all standards at the end of the support period, the District will initiate termination procedures for unsatisfactory performance, if termination procedures have not already been initiated.
- (4) The revised support/improvement plan, progress reports, and summary evaluation required under Plan 4 will be placed in the teacher's personnel file.

K. Parent and Student Input

1. The District and the Association agree that the purpose of student/parent input is to provide meaningful feedback to teachers and supervisors for the improvement of teaching performance. A teacher's certificated supervisor(s) is/are the sole evaluator(s) of that teacher's performance.

The District is responsible for providing information to students and parents regarding the purpose of student and parent input and their opportunity to provide it.

All staff members are required to collect signed input from parents in Grades K-12 and unsigned input from students in Grades 6-12. The procedure used for student input must provide for student anonymity.

2. The staff member may devise, subject to approval by his/her supervisor, forms and procedures for the collection of student and parent input, or s/he may use forms and procedures provided by the District. Input forms shall include questions related to the staff member's performance relative to the PAUSD Teaching Performance Standards.
3. Student and parent input shall be collected by the staff member prior to the end of the first semester and for semester courses again prior to the end of the school year. The staff member shall share input received with his/her supervisor(s).

ARTICLE XI

Leave Provisions

Statutory or regulatory leave provisions not specified in this Article are not subject to the grievance/arbitration mechanism, Article V.

A. Personal Illness and Injury Leave

1. Full-time employees shall be entitled to ten (10) days leave with full-time pay for each school year for purposes of personal illness or injury. Employees who work less than full-time shall be entitled to that portion of the ten (10) days leave as the number of hours per week of scheduled duty relates to the number of hours for a full-time employee in a comparable position.
2. During each school year, when a unit member has exhausted all available sick leave, including accumulated sick leave, and continues to be absent from duty on account of illness or accident for an additional 5 school months, the amount deducted from the salary for any of the additional five months in which the absence occurs shall be the amount actually paid a substitute employee employed to fill the position during the leave, or, if no substitute is employed, the amount that would have been paid to a substitute.

The accumulated sick leave and the five-month period shall run consecutively. A unit member may not be provided more than one five-month period per illness or accident. However, if a school year terminates before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year.

3. If an employee does not utilize the ten (10) days of leave as authorized in the paragraphs above in any school year, the amount not utilized shall be accumulated from year to year.
4. Upon request by District management, an employee shall be required to present a medical doctor's certificate verifying the personal illness or injury and/or a medical authorization to return to work. All personnel are required to report the reason for absence to qualify for pay during that absence, and to report their absences to the Attendance Reporting/SubFinder System. This reporting to the Attendance Reporting/SubFinder System is sufficient for absences of six (6) days or fewer. For absences in excess of six (6) days, verification may be made by a principal, supervisor, or medical doctor. If requested by the District management, an employee shall not return to work until he submits a medical doctor's authorization to return to work.
5. An employee must contact the Attendance Reporting/SubFinder System as soon as the need to be absent is known. Failure to provide adequate notice may be grounds for denial of leave with pay. Chronic failure to provide adequate notice may be grounds for other disciplinary action.
6. An employee who is absent for one-half (1/2) day or less shall have deducted one-half (1/2) day from the accumulated leave; and if the absence exceeds more than one-half (1/2) day, a full day shall be deducted from accumulated leave.
7. Upon request, a unit member shall be informed of the individual's accumulated leave.

B. Personal Necessity Leave

3. Leave that is credited under “A” of this Article may be used, at the employee’s election, for purposes of personal necessity, provided that use of such personal necessity leave does not exceed seven (7) days in any school year.
4. For the purpose of this provision, personal necessity shall be limited to:
 - a. Death or serious illness of a member of the employee’s immediate family;
 - b. An unforeseen accident involving the employee’s person or property, or the person or property of the employee’s immediate family; or
 - c. Attending school activities of the unit member’s child under Labor Code Section 230.8; or
 - d. Other activities that cannot reasonably be deferred to other than regular work hours, which are neither matters of personal convenience, recreational activities, or concerted activities. Important family events whose timing is not within the control of the staff member, such as weddings, graduations, or family reunions, will not be considered matters of convenience or recreation.
5. An employee may use up to 20 days of personal necessity leave for matters related to the adoption of a child. In the case of adoption of a newborn infant, an additional 10 days may be used.
4. No prior permission is required for use of seven (7) days in any school year. However, the leave under “B.2.d” above cannot be used on the day immediately preceding or following holiday or vacation without prior approval from the principal or central department supervisor. If the request is denied by the immediate supervisor, the employee has the right to appeal to the Human Resources administrator. Employees utilizing personal necessity leave must identify which category above applies (“a,” “b,” “c,” or “d”) and shall make every effort to comply with the District procedures regarding advance notice to enable the District to secure a substitute.

C. Bereavement and Critical Family Illness Leave

During a fiscal year, certificated personnel shall be allowed five (5) days absence per bereavement without loss of pay in case of death in the immediate family. In addition, three (3) days shall be allowed for critical illness or serious injury in the immediate family. Members of the immediate family, as used in this section, mean the mother, father, grandmother, grandchild, or grandfather of the employee or of the spouse of the employee, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister, sister-in-law, step-parent, or step-child of the employee; or any relative living in the immediate household of the employee. The immediate family shall also include any person who is a permanent member of the household who has been designated and identified as such on the annual employee emergency form. If a member of the immediate family falls outside this list, the unit member may apply for leave from the Human Resources administrator who may grant leave with pay provided the unit member satisfies the appropriate relationship to the bereaved unit member. The provisions of this leave are not cumulative, and must be used for the attendance at memorial services and related bereavement activities.

D. Leave for Pregnancy Disability

Employees are entitled to use sick leave as set forth in “A” of this Article for disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom. Such leave shall not be used for child care, child rearing, or preparation for childbearing, but shall be limited to those disabilities as set forth above. The length of such disability leave, including the date on which the leave shall commence and the date on which the duties are to be resumed shall be determined by the employee and the employee’s physician; however, the District management may require a verification of the extent of disability from the employee’s physician.

E. Parental Leave (Leave Without Pay for Child-Bearing Preparation, Child Adoption, and Child-Rearing)

1. Parental leave without pay and with medical insurance benefits may be granted to an employee for preparation for childbearing, child adoption, or for child-rearing, under the District rules and regulations for Family Medical Leave Act and California Family Care Leave Act under section K of this article.
2. After Family and Medical Leave is exhausted, or instead of Family and Medical Leave, an employee may request straight leave for continued parental leave under section “H” of this Article. This leave will be without pay or other benefits, except that medical insurance benefits will be extended for a total of five (5) months or until June 30, whichever is the lesser period. The duration of such leave shall be no more than twelve (12) consecutive months and shall automatically terminate on June 30 in the school year closest to the end of the twelve-month period. An extension of straight leave without pay or other benefits may be granted, not to exceed an additional twelve months.
3. The employee shall request such leave as soon as practicable, but under no circumstances less than thirty (30) work days prior to the date on which the leave is to begin. Such request shall be in writing and shall include a statement as to the dates the employee wishes to begin and end the leave without pay.
4. Upon consultation with the employee, the determination as to the date on which the leave shall begin and the duration of such leave shall be made at the discretion of the Superintendent or designee, when considering the scheduling and replacement problems of the District. See Section L.2 of this article for information regarding returning from parental leave to a reduced assignment.
5. The employee is not entitled to the use of any accrued sick leave or other paid leave while such employee is on a parental leave, whether or not the illness or disability is related to a pregnancy, miscarriage, childbirth, or recovery therefrom.
6. There shall not be a diminution of employment status for parental leave, except that no employee shall be entitled to compensation, increment, nor shall the time taken on parental leave count toward credit for probationary teachers in earning tenure status.
7. If an employee is on parental leave and in the event of miscarriage or death of a child subsequent to childbirth, the employee may request an immediate assignment to a unit position. If there is a vacancy for which an employee is qualified, or if a vacancy develops, the District will assign the employee to a position as soon as practicable.

F. Industrial Accident Leave

1. Employees will be entitled to industrial accident leave according to the provisions in the Education Code for personal injury that has qualified for Workers Compensation.
2. Such leave shall not exceed sixty (60) days during which the schools of the District are required to be in session or when the employee would otherwise have been performing work for the District in any one fiscal year for the same industrial accident.
3. Allowable leave shall not be accumulative from year to year. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.
4. The District has the right to have the employee examined by a physician designated by the District to assist in determining the length of time during which the employee will be temporarily unable to perform assigned duties and the degree to which a disability is attributable to the injury involved.
5. The District shall deduct from the employee's salary warrant the amount of such disability indemnity actually paid from the Workers' Compensation Fund to and retained by the employee.

G. Judicial Leave

1. Employees shall be provided leave for regularly called jury duty, and to appear as a witness in Court, other than as a litigant, for reasons not brought about through the convenience or misconduct of the employee.
2. The employee, while serving jury duty, will receive pay in the amount of the difference between the employee's regular earnings and any amount received for jury service. The employee may retain any fee paid as a travel allowance.
3. If the employee does not wish jury duty pay to be deducted from the paycheck, he/she must submit a check for the amount of the jury duty pay with the monthly absence report covering the time he/she was on judicial leave.

H. Other Leaves Without Pay

1. A leave of absence without compensation may be granted to any teacher for a period of not less than one semester, nor more than one year, for the purpose of: (1) teaching programs in other states, territories, or countries, or military teaching programs; (2) Peace Corps, Teacher Corps, or Job Corps, as a full-time participant; (3) cultural travel; (4) work programs related to the teacher's professional responsibilities; (5) rest; (6) public office; (7) continued parental leave as described in E2 of this Article, (8) care for a member of the immediate family who is ill; (9) long-term illness of the employee; (10) disability; or (11) other reasons acceptable to the Board. Upon application, the District may grant an extension.
2. Applications for leaves of absence without pay for reasons 1 through 6 above shall be submitted in writing to the Certificated Human Resources Office no later than March 31 of the year preceding the proposed leave. Approval of requests received after this date may be contingent upon finding a suitable replacement for the staff member requesting leave. Applications for leaves for reasons 7 through 11 should be made as soon as possible after the need for the leave becomes known.

3. Salary credit (step advancement) shall be granted for teaching experience outside the District while an individual is on leave, if he teaches seventy-five percent (75%) of the days of the Palo Alto Unified School District calendar on a half-time or more basis.

 - (c) Individual’s seniority in the District
 - (d) Total length of individual’s professional services
 - (e) Individual’s professional contributions
- (3) Leaves granted during the contract period will be honored during the following academic year.

- c. Selection Procedures

Applications for sabbatical leave shall be evaluated by a panel of nine certificated staff members, five of whom shall be recommended by the teachers’ bargaining unit. The Human Resources administrator shall act as an advisory non-voting member of the panel. Should the panel need help in determining the value of a project and its equivalence to course units, it may choose to call in a special panel of educators conversant with the subject area involved. The panel’s confidential recommendations shall be submitted to the Superintendent no later than February 10. Final recommendation for sabbatical leaves shall be at the discretion of the Superintendent, with Board action taken not later than the first Board meeting in March. The Board of Education retains the right to either grant or deny any and all sabbatical leaves. Denials of committee recommendations shall be explained in writing to the members of the panel.

d. Sabbatical Leave Requirements

Service: Sabbatical leaves must be preceded by at least seven consecutive years of service, all of which shall have been served as a regular certificated employee in the Palo Alto Unified School District. Qualifying service shall be as defined in the Education Code.

e. Sabbatical Leave Applications

- (1) Plans for sabbatical leave should be made with the full knowledge of the principal of the school in which the applicant is serving.
- (2) Applications that appear to meet the objectives of Board policy and are consistent with administrative procedures must be submitted to the Certificated Human Resources Office by January 10 of the year preceding the proposed sabbatical leave.
- (3) Appropriate application forms for sabbatical leaves may be secured through the Certificated Human Resources Office.

f. Compensation While on a Sabbatical Leave

- (1) The employee on sabbatical leave shall receive compensation as follows:
 - (a) One Year Sabbatical —The difference between the salary the employee would have received and the salary at AB +45, step 6.
 - (b) One-half Year Sabbatical — Three-fourths of the employee's annual salary. (Full salary for semester not on leave and one-half salary for semester on leave.)
 - (c) Quarter-year Sabbatical — Seven-eighths of the employee's annual salary. (Full salary for semester and quarter not on leave and one-half salary for quarter on leave.)
- (2) The District shall continue to pay life, health, dental, and vision insurance premiums as set forth in Article VI of this agreement.
- (3) At the employee's option, the employee may purchase service credit equivalent to the sabbatical leave period pursuant to the State Teachers Retirement System rules and regulations.
- (4) Sabbatical leave time shall count as regular service for salary purposes. As a condition of being granted sabbatical leave, the unit member shall agree in writing to render a period of service to the District following the return from leave which is equal to twice the period of leave.

g. Effect of Sabbatical Leave on Salary Increments and Retirement

- (1) A teacher who acquires twelve semester units per semester's leave shall be credited with one complete semester of teaching service for salary increment purposes. Sabbatical leave credit for salary increments will be tentatively granted on approval of the sabbatical leave program submitted with the application. Completion of the program must be verified by April 15 for those returning from first semester leave and November 15 for those returning from second semester and full-year leave. Failure to verify completion by this date will result in the loss of any salary granted on the basis of the approved preplan.

- (2) The teacher's normal percentage rate of deduction for retirement purposes shall be applied to the actual salary received by the teacher. Time on sabbatical leave is credited as service in the proportion that the compensation received bears to the full compensation earnable on a full-time basis. Within a two-year period, an individual may receive full-time credit by paying to the system additional contributions based on the compensation that is the difference between compensation earned and the compensation earnable during the period of sabbatical leave.
- h. Types of Sabbatical Leaves
- (1) Sabbatical leaves for study:

- (a) Personnel on sabbatical leave for travel and study shall be on continuous travel status for at least $4\frac{1}{2}$ months and shall complete a minimum of twelve semester units of work during the sabbatical year. In addition, all other provisions in 8a and 8b apply.

J. Catastrophic Leave Bank

The Association and the District agree to establish a Catastrophic Leave Bank, effective July 1, 1998.

1. Eligibility

- a. Unit members who have exhausted all applicable paid leaves provided for in the collective agreement, excluding differential pay, may apply for Catastrophic Leave under this Article.
- b. To qualify for Catastrophic Leave, the unit member must have suffered an illness or injury that is expected to incapacitate him/her for an extended period of time, or that incapacitates a member of the bargaining unit member's family, and that incapacity requires the bargaining unit member to take time off from work for an extended period of time to care for that family member, and taking extended time off from work creates a financial hardship for the bargaining unit member because all of her or his sick leave and other paid time off has been exhausted. "Family members" shall be defined in Section "C" of the Article for bereavement.
- c. A unit member's use of Catastrophic Leave shall not exceed a cumulative maximum of sixty (60) days per unit member. Catastrophic Leave shall be taken in full day increments. The use of differential pay will follow, when appropriate, the use of the allocated Catastrophic Leave days.

- d. Participation in the Catastrophic Leave Bank is voluntary. Unit members who wish to participate will donate at least one (1) sick day upon joining. Further donations may be required when the committee calls for them. New hires will have sixty (60) calendar days from the date of hire to elect to participate. Only those who donate may receive contributions from the Bank. If a unit member decides to discontinue participation in the Bank, the unit member may rejoin during an open enrollment period during the month of October.
- e. Unit members who do not join the Bank when they first becoming eligible must wait until the next open enrollment period (during the month of October) to join, and they will not be eligible to receive a contribution from the Bank until the subsequent school year.

2. Catastrophic Leave Bank Committee

- a. A Catastrophic Leave Bank Committee shall be established that includes three (3) unit members appointed by the Association and two (2) members appointed by the District. The Committee shall be responsible for administering the Catastrophic Leave Bank in accordance with this Agreement and applicable state law. The Committee's duties are:
 - (1) Receiving leave requests;
 - (2) Verifying the validity of requests;
 - (3) Approving or denying requests;
 - (4) Communicating the Committee's decisions to affected unit members and the District;
 - (5) Soliciting donations of sick leave from eligible unit members as needed;
 - (6) Reviewing special circumstances of a member that prohibit him or her from donating additional days in order to continue as a member of the Bank; and
 - (7) Accepting donations of days of sick leave for the Bank from unit members who wish to donate in the name of a colleague. This constitutes immediate membership in the Bank. The donated days will not increase the maximum number of days the individual may receive.
- b. The Committee shall designate one of its members as Chairperson.
- c. The Committee will establish appropriate record-keeping procedures, including the total number of accumulated days in the Bank and the names of participating members.
- d. The Committee shall keep all records confidential and shall not disclose the nature of any illness except as is necessary to process the request for leave and appeals of denials.
- e. Catastrophic Leave requests shall only be approved by a majority vote of the Committee.

3. Application Procedure

- a. A unit member who wishes to use Catastrophic Leave shall submit a request on the appropriate form to the Catastrophic Leave Bank

Committee, stating the facts that support his/her need for Catastrophic Leave. Each request for a withdrawal from the Bank or extension of a withdrawal must be accompanied by medical verification of the need for the leave.

- b. The Committee shall review the unit member's application and make its decision within a reasonable period of time.
- c. When the Committee determines that the unit member is eligible for Catastrophic Leave, it shall designate the number of days of eligibility. No days may be granted retroactively. The Committee may approve eligibility in renewable increments not to exceed thirty (30) days. If donated days of sick leave are available from the Leave Bank, they may be used by the unit member. If sufficient days are not available, the Committee may solicit donations of days from eligible unit members in accordance with this Agreement on the appropriate form approved by the Association and the District.
- d. If the Committee denies a request for withdrawal from the Bank, or an extension of withdrawal, because of insufficient days to fund the request, the Committee shall notify the unit member, in writing, of the reason for the denial.
- e. If the Committee reasonably believes that the unit member may be eligible for disability allowance or disability retirement under STRS or Social Security, the Committee may request that the unit member apply for those benefits. If the unit member refuses to submit a complete application, including medical information provided by the unit member's physician, within twenty (20) calendar days, he/she shall no longer be eligible to withdraw days from the Catastrophic Leave Bank for the pending application.
- f. The unit member shall comply with any requests for additional information from STRS or Social Security within fifteen (15) calendar days, or his/her eligibility to participate in the Catastrophic Leave Bank shall cease. If denied benefits by STRS or Social Security, the unit member must appeal, or his/her eligibility to participate in the Catastrophic Leave Bank shall cease.

4. Donations to Catastrophic Leave Bank

- a. Participating unit members may donate a maximum of three (3) days of accrued, full-time sick leave to the Catastrophic Leave Bank each school year in full day increments only, upon a solicitation by the Catastrophic Leave Bank Committee. Donations are irrevocable, and shall not be returned to unit members upon their cancellation of membership in the Bank. All contributions to the Bank are voluntary.
- b. Members of the Catastrophic Leave Bank Committee may solicit an additional day or days, depending upon need, when the bank of days drops to or below fifty (50) days. The solicitation shall be made by the Catastrophic Leave Bank Committee. A unit member's membership in the Bank may be canceled if they fail to make a donation when donations are solicited. Eligibility, if available, may only be reestablished in accordance with Section 1e.

5. Miscellaneous Provisions

- a. Unused days remaining in the Catastrophic Leave Bank shall carry over from year to year.
- b. Unit members using days granted to them from the Catastrophic Leave Bank shall not accrue any other leave provided by this Agreement or by law.
- c. Leave from the Bank may not be used for illness or disability that qualifies a unit member for workers' compensation benefits.
- d. The Catastrophic Leave Bank donations are subject to appeal to the Committee only and are not subject to review or appeal under any other procedure. Specifically, the Catastrophic Leave Bank Committee's exercise of the rights and discretion described in this Article shall not be subject to the grievance/arbitration procedure. Except for allegations that the District failed to cooperate as required by this Section, no grievance may be filed against the District alleging a violation of Section (J).
- e. If the Catastrophic Leave Bank has insufficient days to fund a withdrawal request, the Committee is under no obligation to provide days and the District is under no obligation to pay the unit member any funds whatsoever.
- f. If the Catastrophic Leave Bank is terminated for any reason, the days remaining in the Catastrophic Leave Bank shall be returned to the then-current members of the Bank proportionately. In no event shall any unit member receive more sick leave days than she/he donated to the Catastrophic Leave Bank.

K. Family Leave Act

Unit members are eligible for leave under the Federal Family and Medical Leave Act and the California Family Care Leave Act. The parties will prepare a memorandum covering the various rights and obligations, including those areas where discretion may be exercised by the District and/or employees. This will be distributed to the work site.

L. Reduced Employment

1. Prior to March 1, a unit member may request in writing reduced employment for the subsequent school year. In the event the District agrees to reduce the unit member's employment, such reduction shall be granted for not less than one (1) year nor more than five (5) years provided further that the parties mutually agree to the amount the employment shall be reduced and the date on which the unit member may elect in writing to return to the unit member's prior employment percentage. If the reduced assignment results in two teachers instructing the same students, i.e. sharing one assignment, the provisions of Article VII, Section D must be met.
2. When a unit member returns from parental leave that ends during the school year, the District will make an effort to honor a request for reduced employment status upon return, provided that:
 - a. The request for reduced employment was made before the parental leave began,
 - b. A replacement teacher satisfactory to the District is available for the parental leave and agrees to continue during the reduced employment period.

3. A unit member may renew his/her reduced employment status by completing the appropriate form in the Certificated Human Resources Office. The March 1 deadline date also applies to the renewal.
4. In the event the unit member does not elect in writing by March 1 to return to the prior employment percentage, the unit member's employment percentage shall be permanently reduced. However, the unit member and the District may mutually agree to reduce or extend within the above period of reduced employment.

M. Miscellaneous

1. Eligibility for Leave

A unit member becomes eligible for an unpaid leave of absence, with the exception of parental leave after he/she has permanent status as defined in Education Code Section 44929.21b. He/she may apply for that leave any time after establishing permanent status.

2. Benefits

While on approved leave, a unit member shall be considered to be a member of the department or school from which he/she is on leave. Upon return, the unit member shall be given equal consideration with other members of that department or school for continued assignment in that school or department. He/she, spouse and named dependents, shall be permitted to remain in District fringe benefit programs when on unpaid leave provided that: (1) the unit member pays to the District the premium costs incurred by the District for benefits elected by the unit member going on unpaid leave; and (2) the insurance companies agree to extend that coverage.

3. Notice of Intent to Return from Leave

The unit member shall give written notice to the District of the unit member's intention to return to duties by March 1 of the year in which the leave expires; otherwise, it will be assumed that the unit member does not intend to return.

ARTICLE XII

Concerted Activities

A. Definitions

It is agreed and understood that except as specified in the fourth paragraph of this article, there will be no strike, work stoppage, slow-down, picketing, or refusal or failure to perform fully and faithfully job functions and responsibilities, or other interference with the operations of the District by the Association or by its officers, agents, or members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity.

B. Duty to Comply

The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all employees to do so. In the event of a strike, work stoppage, slow-down, or other interference with the operations of the District by employees who are represented by the Association, the Association agrees in good faith to take all necessary steps to cause those employees to cease such action.

C. Discipline

It is agreed and understood that any employee violating this Article may be subject to discipline.

D. Rights

It is understood that this Agreement shall not negate the right of members of the bargaining unit or the Association and its officers or agents from engaging in informational picketing or other such concerted activities, exclusive of a strike or other work stoppage.

ARTICLE XIII

Working Conditions

A. Elementary Preparation/Planning

1. The District will provide an elementary traveling team in the form of additional specialized instruction to provide preparation and planning time for teachers in elementary grades 1 through 5.
2. Traveling teachers shall be members of the staff at each site served.
3. Full-time K through Grade 5 teachers at the elementary level shall have preparation/planning time during the student attendance day as follows:
 - a. Kindergarten teachers: 30 minutes per week.
 - b. Teachers teaching a primary day —90 minutes per week.
 - c. Teachers teaching an intermediate day —190 minutes per week.
4. Sites are encouraged to schedule blocks of common grade level planning time.
5. In addition to the time listed above for primary teachers, the period between the end of the primary instructional day and the end of the intermediate instructional day will be used for instructional preparation, individual and joint planning, and scheduled parent and staff conferences. The teacher has the professional discretion to use the time within these purposes.

B. Secondary Preparation/Planning/Conferencing

Full-time teachers in the high schools shall have the equivalent of two out of seven periods daily for purposes of planning, preparation, and conferencing. Full-time teachers in the middle schools shall have the equivalent percentage (28.6% or 2/7) for planning, preparation, and conferencing; however, such period shall be no less than one-seventh (14.3%) each day, nor less than two-sevenths (28.6%) over any two consecutive school days. The scheduling of preparation periods shall be done at the site level to meet the needs of the program, staff, and students.

C. Same-Day Multiple-Site Secondary Classroom Teachers

Classroom teachers whose assignments require them to travel to different secondary school sites during the same teaching day (multiple-site teachers) and who are not members of the district-wide traveling music and P.E. teams shall be entitled to the following rights.

1. The site administrators in collaboration with the teacher shall determine which school will be the primary site of assignment for the purposes of attendance at required meetings when the meeting times conflict. It is the expectation that the teacher will be required to attend the number of meetings normally required of teachers assigned solely to the primary site served by the multiple site teacher.
2. Multiple-Site teachers shall be given a reasonable travel time between schools, except in extraordinary circumstances. In extraordinary circumstances, the site administrators at each site and the affected teacher shall work together to define the expectations of each site and develop a plan with the teacher to mitigate the circumstances. A full time teacher who is required to travel between sites during his/her workday shall be paid a full-time traveling teacher stipend pursuant to Appendix H.

D. Special Day Class Preparation/Planning

The District will provide some form of preparation/planning time for SDC teachers, comparable to that received by regular classroom teachers for each grade level.

Due to the complexity of SDC teaching assignments, comparability shall be determined based upon deliberations at each site among the teacher, site administrator, and Assistant Superintendent, HR.

E. Student Medical Procedures

Unit members will not be required to be primary providers of necessary pupil medical procedures. However, unit members will be expected to provide backup service in extraordinary circumstances or when the primary provider is unexpectedly incapacitated. The District and the Association will establish an ongoing list, which defines “medical procedures” which are covered by this provision.

F. Status After Change in Assignment

For teachers who are assigned to a new discipline at the secondary level, or for elementary teachers who are assigned a new grade level, the District will provide additional training and support as necessary.

G. Safety Conditions

1. The following procedure will be utilized to provide a written response to matters, which negatively impact the safe and orderly learning environment. This procedure will require the site principal to provide a written response within five (5) workdays of the date the unit member’s written concern was first received. In addition, if the unit member believes that the written response was inadequate, or that the action taken was insufficient to remedy the unsafe condition, then the unit member may receive a written response from the Superintendent or designee within ten (10) workdays of the receipt of such a request from the unit member. Forms for such submissions will be made available at each school site.
2. Within 24 hours of verifying the information, the Superintendent or designee shall inform the teachers and administrators at a site that a potentially violent student is assigned to their site. Within three days of this notification, a site administrator will schedule a meeting involving all personnel who have regular contact with the student to develop an appropriate support plan or to modify an existing plan. If the student changes teachers or grade levels at a site, all personnel who have regular contact with the student will have the opportunity to review and modify the plan.
3. Beginning with the 1998-99 school year, the District will develop procedures for implementing this provision and will train unit members about teacher rights and responsibilities in dealing with students identified under this section.

ARTICLE XIV

Non-Discrimination

A. The District and the Association agree to provide a learning and work environment free from discrimination and harassment based upon race, national origin, sex, sexual orientation, religion, age, physical or mental disability, or marital status.

B. Procedure

1. Notwithstanding other Board policies and procedures, if a unit member believes that an incident of illegal discrimination or harassment has occurred, the unit member should first notify the immediate supervisor of the incident. If the immediate supervisor is believed to be involved in the alleged incident, the unit member should report the matter to a person having authority over the person(s) engaged in the alleged illegal activity. The supervisor shall investigate and take appropriate action, including reporting the matter to the Human Resources administrator.
2. At the time of observation or awareness of an incident of discrimination, the unit member should inform the person(s) responsible for the discrimination that the act(s) were inappropriate and/or unwelcome, and that the behavior should stop.
3. If the above procedures do not satisfactorily remedy the illegal conduct, the unit member should report the matter to the Human Resources administrator, or designee, who shall conduct an investigation into the allegations. At the end of the investigation, a written report outlining findings and conclusions shall be provided the original complainant(s) and the Association President, to the extent allowed by law. These findings and conclusions shall conclude the District's investigation; however, the Superintendent, upon the complainant's(s') request, shall meet informally with the complainant(s) and/or Association to review the elements of the report.
4. Upon request of the complainant(s), the District shall provide a facilitator, with skills in interest-based problem solving and substantive knowledge of discrimination law, who shall meet with the involved parties. The facilitation, and any information obtained by the facilitator during this process, shall remain confidential.
5. If any of the above provisions conflict with rules, regulations, or requirements of the State or Federal government, those provisions shall be superseded by the appropriate rule, regulation, or requirement.

ARTICLE XV

Academic Freedom

- A. Unit members shall be accorded the right to academic freedom, provided such right is balanced with the students' right of academic freedom. To this end, the Board's policy on "Controversial Issues" will be maintained during the duration of this Agreement.
- B. Before the Board undertakes any modification of this policy, which impacts upon teacher academic freedom, the District will provide the Association with notice and opportunity to negotiate any impact. (See Board Policy, which is attached for information only, as "Appendix G.")

ARTICLE XVI

Savings Provisions

If any provisions of the Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions shall continue in full force and effect.

ARTICLE XVII

Support of Agreement

- A. The District and Association agree that it is to their mutual benefit to encourage the resolution of differences through the meet and negotiation process.
- B. The Board of Education agrees that it shall not change any policies referred to directly by this Agreement as being effective parts of the Agreement during its term, except that it may request the Association for a meet and confer session with them about a possible change of policy.
- C. The Association agrees that future negotiations regarding successor contracts shall be open to the public.

ARTICLE XVIII

Effect of Agreement

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over State laws to the extent permitted by State law; and that in the absence of specific provisions in this Agreement, such practices and procedures are discretionary.

ARTICLE XIX

Completion of Meet and Negotiate

The terms and conditions set forth in this Agreement represent the full and complete understanding and commitment between the parties. These terms and conditions may be altered or modified only through a written amendment approved and signed in the same manner as the master Collective Agreement. During the term of this Agreement, the Association and the District agree that neither party shall be obligated to meet and negotiate with respect to any subject or matter whether or not referred to or covered in this Agreement.

3. Association Communications

a. The Association shall be entitled to the use of and access to employee mailboxes for communications to unit members regarding matters, which involve the Association. The Association shall also be entitled to post notices of Association concern on designated bulletin boards designated for exclusive use by the Association, at least one of which shall be provided in each school building, in areas frequented by employees.

- b. After a unit member accrues three (3) hours of sick leave, he/she shall be entitled to use this leave (up to a maximum of six (6) hours per year) for death or serious illness of a member of the immediate family or an accident involving his/her person or property or the person or property of a member of the immediate family.
- c. Whenever possible an employee must contact the Adult Education office as soon as the need to be absent is known. APPENDIX B

Plan for Salary Advancement

The Palo Alto Unified School District encourages all staff members to engage in continuous professional improvement. Professional development activities in the form of college and university work, District sponsored workshops or study groups, individual professional development activities, and service on school site councils or identified district committees are recognized, and credit is given for advancement on the salary schedule.

The procedures are as follows:

1. All work must be pre-planned prior to commencement of the activity in order to receive salary advancement credit.

The activity must be approved and the Application for Salary Advancement Credit signed by the school principal or department supervisor. ALL COPIES of the plan should then be sent to the Certificated Human Resources Office for approval and processing. One copy of the plan will be returned to the applicant.

The only exception to the pre-planning requirement as set forth above is for crediting upper division or graduate level courses that also meet the requirements of “A-1” and “A-2” below. Within ninety (90) calendar days from the date of completion of such a course, the certificated staff member must submit to the Certificated Human Resources Office the Application for Salary Advancement Credit together with appropriate verification of course completion.

2. These deadlines must be met in order to move on the salary schedule for the following year:
 - a. By May 1 pre-plans for all professional activities to be undertaken during the summer that will result in a column advancement on the salary schedule the following year must be in the Certificated Human Resources Office. Units must be pre-planned by the deadline date, even though specific course information is not available at that time. Course information should be added to the pre-plan in the Certificated Human Resources office as soon as it is known.
 - b. By November 15 final verification of pre-planned activities that have resulted in salary advancement must be submitted to the Certificated Human Resources Office.

Failure to meet the May or November deadlines, even if the activities have been completed, will result in the salary advancement not taking effect until the following school year.

3. All activities proposed for salary advancement must be related to one or more of the following:
 - a. District goals and priorities;
 - b. School goals;
 - c. Department goals;
 - d. The staff member’s professional development plan;
 - e. District performance standards for the staff member’s role group.

4. All activities proposed for salary advancement must be undertaken at the staff member's own expense and during time when a salary is not being paid by the District or released time is not being provided by the District.

PROFESSIONAL ADVANCEMENT CATEGORIES

A. College (including community college) and university course work which satisfies one or more of the following:

1. Courses that develop skill and/or knowledge related to published district, school, or department goals or to district performance standards for certificated staff.
2. Courses intended to help a staff member to develop competence in a new teaching area or to earn a new credential.

All college course work must be verified by submitting transcripts or grade cards.

B. District sponsored inservice training sessions and workshops:

One semester unit will be allowed for each 15 hours of attendance at programs that have been approved by the Certificated Human Resources office.

All participation in District sponsored workshops and study groups must be verified by roll sheets showing hours attended, submitted by the person designated to lead or facilitate the activity.

C. Individual Professional Development Activity:

1. **Independent Study:** A program of independent study of a specified aspect of education, culminating in a written report or other tangible product may be undertaken for up to 3 units per year. Each unit of credit requires 30 hours of work. Examples of independent study include: preparing an article for publication in a professional journal; researching and preparing a presentation for a professional conference; independent reading and reflection on a particular education topic; an action research project; and systematic, focused programs of observation and analysis of teaching or other educational functions.

All independent study must be verified by submitting the end product of the study, a written description of the staff member's activities that led to the product, and a one-page evaluation of the study's contribution to the staff member's professional development.

2. **Private Lessons:** Private lessons may be undertaken for a maximum of four units per year or up to 12 units in a staff member's career to develop skill or knowledge that is directly applicable to the staff member's work. Each unit of credit requires fifteen hours of actual instruction time.

Private lessons must be verified by a log of dates and times and a one-page summary of the relevance and value of the lessons to the staff member's work.

3. **Work Experience:** During the summer or while on leave, credit may be earned for employment or work experience that results in increased skill or knowledge related to the District performance standards for the staff member's role group. This work experience must be significantly different from the staff member's work in the District. One unit of credit requires 40 hours of work time. The maximum credit to be allowed for this type of activity is six units in one calendar year or 12 units throughout the teacher's career in the PAUSD.

4. Courses or Workshops, Conferences, or Other Programs that are Sponsored or Offered by an Organization Other than a College, University or the District: A maximum of 4 units per year (15 hours per unit) may be earned for attendance at programs of this type, provided that the activity:

- a. Has a direct relationship to the staff member's current role or a role that the staff member is preparing to take on; and
- b. Comprises at least 15 hours of direct participation in instructional or professional development sessions.

Attendance at this type of program must be verified by a log sheet showing time, dates, and titles of sessions attended, length of individual sessions, and a one paragraph summary of each session describing its value for the staff member.

5. National Board for Professional Teaching Standards (NBPTS): Teachers who complete both the portfolio and the exams will receive four (4) units of credit in the year following completion. Verification will include a copy of the letter indicating that the portfolio has been received by the NBPTS and verification of completion of the exams.

Upon completion of an individual activity, Verification of Completion forms and any additional verification materials described above must be submitted for evaluation by the Certificated Human Resources administrator responsible for this program. These forms may be obtained in the Certificated Human Resources Office and are to be submitted to that office.

D. Service on a School Site Council or Identified District Committee:

A maximum of 3 units per year (15 hours actual committee or subcommittee meeting time per unit) may be earned for service on a school site council or as a designated school or grade level representative on a district committee mutually identified for this purpose by the Superintendent and the President of the Association by September 30.

Service on such committees must be verified by signed attendance sheets submitted by the person designated to lead the committee.

NO CREDIT WILL BE GRANTED FOR ANY OF THE FOLLOWING:

- Adult Education courses unless prior approval is given.
- Any activity for which a salary is paid by the District or released time provided, or that occurs during normal working hours for which the staff member is paid.
- Any activity other than an upper division or graduate course at a college or university, for which a completed pre-planning form has not been received and approved prior to the beginning date of the activity.

APPENDIX D

Pre-Retirement Employment and Post-Retirement Programs

1. **Reduced Workload Program (Willie Brown Program)**

- A. A unit member may reduce employment from full- to part-time, and receive service credit the unit member would have received if employed on a full-time basis, provided the unit member meets all the requirements of this subsection and Education Code 22713 and the following District criteria.
- (1) The option of part-time employment must be exercised at the unit member's request and, once granted, can be revoked only with the mutual consent of the District and the unit member. The employment level can be increased or decreased within the limitation of part-time employment no less than 50%.
 - (2) The unit member must submit a request to participate in this program to the Personnel Office no later than March 1 of the school year preceding the desired year of participation.
 - (3) The unit member must have reached the age of fifty-five (55) prior to the school year in which the reduction in workload starts.
 - (4) The unit member must have been employed full-time in a position requiring certification for at least ten (10) years, of which the immediately preceding five (5) years were full-time employment. For the purposes of this section, approved leaves of absences shall not constitute a break in service.
 - (5) A unit member's participation in the reduced workload program may not exceed 10 years.
 - (6) The District and the unit member shall agree to make the appropriate contributions to the State Teachers' Retirement System (STRS) equal to the amount required as if serving as a full-time unit member.
 - (7) The final determination the form of part-time employment and the qualifications necessary to meet the District's instructional needs rests within the sole discretion of the District.
- B. The minimum part-time employment shall be the equivalent of one-half (1/2) of the number of days of service required by the unit member's contract of employment during his/her final year of service in a full-time position. Except for the reduction of salary corresponding to the reduced workload, the District will provide the part-time unit member with the same fringe benefits provided a regular full-time unit member.
- C. If the Governing Board agrees, the reduced service may be on a part-time daily schedule or full-time for at least one-half (1/2) year. Regardless of the work schedule, the unit member and District contributions must be paid monthly to STRS.

- D. Unit members who terminate before the end of the school year will receive retirement credit based on the salary actually paid in the proportion that it relates to the annual salary that would have been paid had the employment continued. Retirement contributions for services not actually performed will be returned to the unit member and the District. The amount of sick leave earned while on reduced workload will vary directly to the percent of full-time employment. For example, fifty percent (50%) employment would yield ten (10) days of half-time sick leave or five (5) days of full-time sick leave.

2. Post-Retirement Employment Programs

- A. Retired teachers employed pursuant to this program shall be placed in distinct classes of temporary teachers within the bargaining unit. A teacher shall be classified as a "Retired Temporary Teacher" if hired pursuant to these sections. The service of a Retired Temporary Teacher shall not be included in computing the service required as a prerequisite to attainment of or eligibility for classification as a permanent employee of a school district.
- B. Retired Temporary Teachers and Retired Temporary Remedial Teachers shall be compensated according to the salary schedule set forth in Appendix A.
- C. Retired Temporary Teachers and Retired Temporary Remedial Teachers shall receive health and welfare benefits contribution specified in Section 3 of this Appendix.
- D. Retired Temporary Teachers shall not be subject to the evaluation requirements of Article 10.
- E. Post-Retirement Programs Effective July 1, 2000.
 - (1) The District may employ in a full-time teaching position a teacher who retired from the District under the State Teachers Retirement System and who meets either of the following:
 - (a) The teacher retired with an effective date on or before January 1, 2000, and will provide direct classroom instruction to students in kindergarten through eighth grade, and/or will provide services to beginning teachers specified in Education Code Section 24216.5 (a)(2); or
 - (b) The teacher retired with an effective date on or before July 1, 2000, and will provide direct remedial instruction to students in grades 2 through 8 as defined in Education Code Sections 37252 and 37252.5.
- F. Post-Retirement Employment, Effective January 1, 2001, to June 30, 2009
 - (1) Individuals who return to employment with the District after being retired for a period of twelve (12) months will earn full salary and without a reduction in retirement allowance, and without requirement of a contribution to STRS for salary earned.
 - (2) The retiree must work in a position requiring a certificate, and must otherwise qualify under the provisions of Education Code Section 24214.
 - (3) This K-12 employment may be either full-time or part-time. The District retains the final discretion as to the type of work, the percentage of part-time work, the qualifications for the work, and the availability of work.
 - (4). At the option of the retiree, the compensation shall be in the form of regular salary, or, to the extent legally permissible, the employee may earn credits in lieu of salary for health and welfare benefits or MediCare Part B.

3. Retiree Health and Welfare Benefits

- A. For unit members whose first date of paid contracted service is prior to June 1, 2009 and retiring after June 30, 2002, the District will contribute the same amount to health and welfare benefits as though the unit member were an active member with the same percentage of paid benefits as held immediately prior to retirement, for a period of five years, age 65, or is eligible for Medicare, whichever occurs first; provided:
 - (1) The retiree has twenty years of full-time service or the equivalent of twenty years of full-time service in the District, and
 - (2) The retiree has reached age fifty-five.
- B. Individuals drawing STRS benefits while employed by the District under any of these post-retirement employment programs at 50% or more will receive the same contribution to District health and welfare benefits as other unit members, until age sixty-five (65) or eligible for Medicare, whichever occurs first.
- C. Individuals drawing STRS benefits while employed by the District in a post-retirement program less than 50% full-time may elect to earn salary combined with health and welfare benefits in lieu of a commensurate salary, until age sixty-five (65) or eligible for Medicare, whichever occurs first.
- D. If a retiree wishes to participate in health and welfare benefits, the retiree may purchase the benefits through direct payment to the District, provided the retiree is otherwise qualified for the benefits under the carrier's provisions.

APPENDIX E

Peer Assistance and Review Program

1. Purpose

- 1.1 The Peer Assistance and Review Program (Program) allows exemplary teachers to assist certain permanent and beginning teachers in the areas of subject matter knowledge, teaching strategies, and teaching methods.
- 1.2 The extent of the Program's assistance and review depends on whether the participating teacher is a beginning teacher, a volunteer permanent teacher, or a permanent teacher who has been referred to the program. The Program's assistance shall be provided through Consulting Teachers as described in detail in Sections 3 and 4.2 of this section. This assistance shall not involve participation in nor conducting of the evaluation of certificated unit members as set forth in Article X of the Agreement and Education Code 44660, et seq., except for making available to the evaluator the report of a unit member's participation in the Program.
- 1.3 The Program resources shall be utilized in the following priority: first, for Referred Participating Teachers on Evaluation Plan 3; second, for beginning teachers; and thereafter other priorities determined by the Joint Panel.

2. Definitions for Purposes of This Document

- 2.1 "Classroom Teacher" or "Teacher"
Any classroom teacher in the certificated bargaining unit.
- 2.2 "Participating Teacher"
A unit member who is a classroom teacher who either volunteers or is required by this Agreement to participate in the Program.
- 2.3 "Referred Participating Teacher with an Unsatisfactory Evaluation"
A unit member with permanent status who has been placed on Evaluation Plan 3 (Article X, Section H and I) because his/her supervisor has determined that s/he does not meet one or more of the PAUSD teaching standards in the areas of subject matter knowledge, teaching strategies, or teaching methods and instruction (Cluster 1, Management and Monitoring of Student Learning; Cluster 2, Commitment to Students and Learning; or Cluster 3, Knowledge of Content and How to Teach).
- 2.4 "Beginning Teacher"
Any unit member having probationary or temporary status, or any District teaching intern participating in a program established according to Education Code Sections 44305, et seq. and 44325, et seq. This Program is to be closely coordinated with other District programs for training and assistance to beginning teachers.
- 2.5 "Voluntary Participating Teacher"
Any permanent teacher other than a Referred Participating Teacher or a teacher on Evaluation Plan 4 (Article X, Section J).
- 2.6 "Consulting Teacher"
An exemplary teacher meeting the requirements of subsection 4.2.1 who is selected by the Joint Panel to provide Program assistance to a Participating Teacher.

2.7 “Evaluator”

An administrator or instructional supervisor appointed by the District to evaluate a certificated teacher.

3. Program Outline

3.1 For Referred Participating Teachers on Plan 3 (RPT)

- 3.1.1 Any permanent teacher who has been placed on Evaluation Plan 3 because of not meeting standards in Clusters 1, 2, or 3 of the PAUSD Teaching Standards must participate in the program.
- 3.1.2 The Consulting Teacher’s assistance and review shall focus on the specific areas identified in the support/improvement plan developed by the RPT’s Evaluator(s) when the RPT was placed on Plan 3.
 - 3.1.2.1 These areas for improvement shall be aligned with student learning, clearly stated, and consistent with Education Code Section 44662. These recommendations shall be considered as the performance goals required by Education Code Sections 44664(a) and 44500(b)(2).
 - 3.1.2.2 The Principal and the Consulting Teacher assigned shall meet and discuss the recommended areas of improvement outlined by the Principal and the types of assistance that should be provided by the Consulting Teacher.
 - 3.1.2.3 The Consulting Teacher and the Evaluator(s) are expected to establish a cooperative relationship and shall coordinate and align the assistance provided to the RPT.
 - 3.1.2.4 The Consulting Teacher and the RPT shall meet to discuss the plan for assistance. After that meeting, the Consulting Teacher will provide the assistance set forth in Section 4.2.6, which shall also involve conducting multiple classroom observations of the RPT.
- 3.1.3 At the end of the time period specified in the support/improvement plan, the Consulting Teacher shall complete a written report describing the teacher’s participation in the Program. This report shall consist solely of: (1) a description of the assistance provided by the Consulting Teacher; and (2) a description of the RPT’s participation in the Program. This report shall be submitted to the Joint Panel, with copies also submitted to the RPT and the Evaluator(s).
- 3.1.4 The Consulting Teacher’s report (described in 3.1.3) shall be made available as part of the RPT’s annual evaluation. Either the Evaluator or the RPT may choose to have the report included in the annual evaluation.
- 3.1.5 After receiving the report, the Joint Panel shall determine whether the RPT will benefit from continued participation in the Program.
- 3.1.6 The RPT will continue participating in the Program until the Joint Panel determines that s/he will no longer benefit from participation, the RPT receives a satisfactory evaluation, or the RPT is placed on Evaluation Plan 4, whichever occurs first. The RPT’s Evaluator will determine whether s/he has been able to demonstrate satisfactory improvement.

- 3.1.7 The names of RPT's who, after sustained assistance, are not able to demonstrate satisfactory improvement will be forwarded by the Joint Panel to the Governing Board.
- 3.2 For Beginning Teachers
 - 3.2.1 A Consulting Teacher may be assigned to one or more beginning teachers to provide assistance. Priority will be given to teachers in their first two years in the district who are not eligible for the Beginning Teacher Support and Assessment Program.
 - 3.2.2 In the first year the Consulting Teacher shall concentrate the assistance on any area of the District's Teaching Standards. In the second year, the Consulting Teacher will focus the assistance on any areas identified as needing improvement and/or assistance.
 - 3.2.3 The Consulting Teacher and the Evaluator(s) shall have a cooperative relationship and shall coordinate the assistance provided to the beginning teachers.
 - 3.2.4 Because beginning teachers' participation in the Program is not legally mandated, neither the Consulting Teacher nor the Joint Panel will make written reports regarding individual beginning teachers, nor forward to the Board the names of individual beginning teachers who participated in the Program.
- 3.3 For Voluntary Participating Teachers (VPT)
 - 3.3.1 Teachers eligible to be Voluntary Participating Teachers (VPT) may submit to the Joint Panel a proposal to work with a Consulting Teacher or to participate in any activity approved by the Joint Panel that utilizes the concept of peer assistance and support.
 - 3.3.2 Because permanent teachers with satisfactory performance are not mandated by law to participate in the Program, neither the Consulting Teacher nor the Joint Panel will forward to the Board the names of individual VPTs or report on the outcome of their participation. At the request of a VPT who is on Evaluation Plan 2B, however, the Consulting Teacher may write the required partner response to the teacher's summary evaluation (Article X, Section C.2.c.3.f).

4. Governance and Program Structure

- 4.1 Joint Panel
 - 4.1.1 The Peer Assistance and Review Program will be administered by a Joint Panel consisting of seven members, four selected by the certificated classroom teachers, and three appointed by the District. Qualifications for the teacher representatives shall be the same as those for Consulting Teacher as set forth in Section 4.2.1, and they shall be selected by the Association. A Panel member's term shall be two years, except the first terms shall be for the teacher members two two-year terms and two three-year terms, and for the District members one two-year term and two three-year terms. The Panel shall establish a procedure for selecting the Chair. The term of the Chair shall be one year, and the position shall alternate between the Association and the District. The Chair shall be a full voting member of the panel.
 - 4.1.2 The Joint Panel will make through consensus all decisions in the areas of appointments, reports and recommendations to the

Governing Board, and Program plan and budget. Failing consensus, decisions will be made by a majority vote. Five of the seven members will constitute a quorum for purposes of meeting and conducting business.

4.1.3 The Joint Panel's primary responsibilities are to establish the annual Program and budget, and to select and oversee the Consulting Teachers. In addition the Panel is responsible for:

- Submitting to the Governing Board recommendations regarding RPTs, including forwarding the names of any individuals who, after sustained assistance, are unable to demonstrate satisfactory improvement;
- Making an annual report to the Governing Board and the Association regarding the impact of the Program, its overall effectiveness, and recommendations for improvements in the Program;
- Assigning the Consulting Teachers;
- Reviewing Consulting Teachers' reports on RPTs;
- Evaluating the effectiveness of the Consulting Teachers in their role;
- Coordinating with the District to provide training for Consulting Teachers, for panel members, and where appropriate, for any participating teachers;
- Forwarding to the Human Resources Office at the end of the year all the records regarding the Program, which shall be filed separately from the individual personnel records, except as set forth in Section 3.1.4 above; and
- Establishing internal operating procedures and regulations necessary to carry out the requirements of the Education Code and this section of the Agreement.

4.1.4 The Joint Panel shall use the following procedure for establishing the annual Program plan and budget:

- (a) By April 1 of each fiscal year the Joint Panel will establish a Program and budget for the succeeding year, which will include:
- The estimated state revenues for the Program;
 - The estimated expenditures, involving:
 - Projected number of Participating Teachers,
 - Projected number of Consulting Teachers (full and part-time) needed to serve the projected need,
 - Released time for the panel and Consulting Teachers,
 - Pay for Consulting Teachers that is consistent with the pay parameters established by the negotiating parties, and
 - Projected costs for training, administrative overhead, and if necessary, legal and consulting assistance.

- (b) By April 15, the Program plan/budget will be submitted to the Association President and the Superintendent for approval. If the plan/budget is not approved by both parties, it may be modified by mutual agreement. By May 1, if the parties cannot reach agreement to either approve the plan/budget or to amend it, then the plan/budget will be implemented as submitted by the panel.
- (c) In 1999-2000, the Program plan/budget will be focused on planning and training for implementation in 2000-2001. It will be developed by a subcommittee of the negotiating teams and will be submitted to the Association President and the Superintendent by January 31, 2000.

4.2 Consulting Teachers

4.2.1 Minimum qualifications for Consulting Teacher:

- A fully credentialed Classroom Teacher with permanent status and at least five years of teaching experience within the preceding 7 years;
- Demonstrated exemplary teaching ability, consistent with the PAUSD Teaching Performance Standards
- Demonstrated ability to work cooperatively and effectively with other teachers and administrators.

4.2.2 Consulting Teacher positions may be full or part time. The Human Resources office shall post Consulting Teacher positions. Each applicant shall be required to submit a completed application, which shall include at least three references from individuals who have direct knowledge of the applicant's abilities for the position, including at least one reference from a District principal or Instructional Supervisor. The Panel's procedures for selecting Consulting Teachers shall include provision for interviews and classroom observations of candidates. The Joint Panel will make the selection, which will be forwarded to the Superintendent. All applications and references will be treated with confidentiality and will not be disclosed except as required by law.

4.2.3 The Joint Panel will assign Consulting Teachers. Within the first six weeks of the assignment, either the Consulting Teacher or the Participating Teacher may petition the Panel for an assignment change, stating the reasons. The Participating Teacher shall be allowed one assignment change per year.

4.2.4 A Consulting Teacher's term will be two years, and s/he may reapply for one additional term. If a Consulting Teacher's assignment involves being released from the classroom, upon completion of the assignment, unless the Consulting Teacher requests otherwise, the District will make every effort to return the teacher to the school (and department, where relevant) in which the teacher taught before assuming the Consulting Teacher position. In the first year of the Program only, the Joint Panel may create both 2-year and 3-year terms in order to stagger the entry of Consulting Teachers into the Program.

- 4.2.5 Consulting Teachers will be required to attend training programs designed to prepare them for their role. This training will take place on a combination of released time and non-work time, with appropriate compensation.
- 4.2.6 Consulting Teachers shall provide assistance to RPTs in the areas of subject matter knowledge, teaching strategies, and teaching methods (Clusters 1, 2, and 3 of the PAUSD Teaching Standards). For RPTs this assistance may include any of the following activities:

- 4.2.7 Support provided by Consulting Teachers to beginning teachers or VPTs may include providing consultative assistance to improve in areas identified by the participating teacher, as well as the activities listed in c, d, e, and f above.

5. Other Provisions

APPENDIX F

Employee Concerns Regarding District Policies and Procedures

(from Board Policy Manual, Chapter VI — Certificated Human Resources)

This provision is attached to the Collective Bargaining Agreement for information purposes only, and is not subject to review or enforcement through the grievance/arbitration mechanism.

Employees are encouraged to solve difficulties and problems within the school or department by referring their concerns about the implementation of District policies and procedures to their immediate supervisor.

If the concern is not resolved through this process, the employee may present his/her concern to the member of the Superintendent's Staff responsible for that part of the District's operation. The Staff member shall communicate his/her decision to the employee within twenty (20) working days of receipt of the concern.

Final appeal of the Superintendent's decision may be made to the Board of Education. The decision of the Board of Education shall be final.

APPENDIX G

Controversial Issues

(from Board Policy Manual, Chapter III — Instruction)

This provision is attached to the Collective Bargaining Agreement for information purposes only, and is not subject to review or enforcement through the grievance/arbitration mechanism.

The examination and discussion in classrooms of important controversial issues has educational value and may be pursued when appropriate to the course of study. Events of such significance may occur so as to make discussion acceptable in other courses. Teachers shall:

1. Conduct discussions in a spirit of honest inquiry;
2. Guide discussions to provide opportunity for students to hear and consider differing views of the issue; and
3. See that such discussions do not unduly preempt time from the regular course of study.

Forums at which timely issues are debated or closely spaced talks by speakers who can ably present opposing views are encouraged. Organized groups or individuals wishing to provide students with information or to make presentations to classes concerning controversial issues shall make application to the Superintendent of Schools, who shall determine the relevance of such presentations to the welfare of the students and to their education.

The Board shall support staff members when they have acted in the spirit of this policy, which obligates teachers to approach controversial issues in the spirit of inquiry rather than advocacy.

Administrative Procedure: Controversial issues shall be freely discussed in the classrooms of the District in accordance with the prudent judgment of teachers and in conformity with the provision of professional codes of ethics. In the discussion of controversial issues, teachers should consistently relate them to the democratic process and emphasize that differences of opinion and protest are to be exercised in the context of majority of decision and willingness to abide by that decision. Respect for minority opinion should be encouraged. Responsible citizenship within a framework of free and informed expression should be the instructional goal of all teachers who deal with controversy in the classroom. In handling discussions of controversial issues, the school personnel should consider that the students have the following rights:

1. To study any controversial issue which has political, economic or social significance and upon which they should begin to form opinions.
2. To have free access to all relevant information including the materials that circulate freely within the community. The exception to this procedural matter results from Education Code Section 8506. This section provides that any audiovisual or written materials, excluding state adopted texts, that include information on human reproduction processes or functions may not be used without providing parents with the opportunity to review and without parental permission.
3. To study under competent instruction in an atmosphere free of bias and prejudice or external pressures.
4. To form and express their own opinions in the classroom on controversial issues without jeopardizing their relations with the teacher or the school, when the issues discussed are relevant to the instructional program.

PAUSD

Academy Working Conditions

The terms of this appendix will not constitute the status quo for purposes of negotiating under the Educational Employment Relations Act, Government Code Section 3540, et seq.

A. Academy Working Conditions

- 1. Program hours and compensation.** The PAUSD Academy will serve students identified as being at risk of retention in Grades 1-5. The classes will be limited to 6-10 students, each working with one teacher. Teachers will be paid \$37.91/hour for each hour of instruction. For planning and parent conferencing, the teacher will receive one additional hour of pay for every 3 hours of reading instruction, and one additional hour of pay for every 2 hours of math instruction. Teachers-in-charge will receive one additional hour of pay for every 3 hours of being in charge.
- 2. Selection of teachers.** All unit members will have an opportunity to apply for Academy positions. Selection will be made by the Academy principal. Qualified unit members will receive preference in hiring over non-unit member applicants. Qualifications will be determined by the level of students and the curriculum to be taught. No priority will be given to teachers holding a particular type of contract (permanent, probationary, temporary, etc.) over those holding other types.
- 3. Schedule of classes.** Academy classes will meet outside of the normal work-day hours. Academy teachers will be excused from other meetings that conflict with Academy instruction.
- 4. Absences and substitutes.** Teachers will not accrue sick leave related to Academy work and will not be allowed to use sick leave, personal necessity, or other types of leave to cover an absence from Academy classes. If a teacher is unable to teach a scheduled Academy class for any reason, s/he will not receive payment for that class. A contract teacher who works on an hourly basis to provide substitute teaching for an Academy teacher will receive.
- 5. Observation of Academy classes.** An Academy teacher will be observed in Academy classes by the Academy principal or the site principal and will be given verbal feedback on his/her performance. Work in the Academy classes will not be addressed, however, in the teacher's written interim assessments or summary evaluation.
- 6. Safety conditions.** Contract provisions regarding safety conditions (Article XIII, section F) apply to Academy work. At each site there will be a principal or teacher-in-charge. During instructional time in the academy program, no teacher should be on site without another adult present.

B. Contracted Programs

Should the District desire to contract out Academy programs to commercial concerns on a pilot basis, in order to evaluate the effectiveness of such programs for low achieving students, the District will provide the Association with notice and opportunity to negotiate.
