## 220 O'Keeffe Middle / Marquette Elementary School

<b>Masonry Wall</b>	<b>B.2.1</b>
---------------------	--------------

<u>Masonry Wall</u>	B.2.1
<b>Description:</b> Masonry Construction	
<b>Memo:</b> Mortar erosion is apparent in a number of areas, but especially on areas accessible from the roof above the O'Keeffe LRC. Brick in this area also appear to have been sandblasted. There is some cracking at a CMU parapet. The sloped brick sill at the end of the LRC roof monitor is severely deteriorated. Brick observed at close range from the ground do not exhibit the same magnitude of problems.

<u>Masonry Wall</u>	B.2.1
---------------------	-------

**Description:** Main System

**Memo:** Brick is cracking at several places around both Whitehorse and Schenk. Lintel ends are exposed at two openings and cut brick are exposed where a new grille was cut in. An area of masonry repair is very unsightly. Joint deterioration is particularly bad where a locker room window opening was infilled.
