Community Outreach Volunteer Opportunities

Join the Movement, Shape the Future, Be the Change!

How well do you know your community? The Urban League of Greater Madison (ULGM) is setting out to answer just that question. During the coming months, the ULGM will be conducting a broad community outreach campaign aimed at developing a deeper understanding of needs and aspirations of the Greater Madison community.

We need your help!

Become a ULGM Ambassador! Without dedicated Volunteer Ambassadors, the ULGM can not possibly develop the knowledge base and deeper understanding that will be required to shape the future of Madison.

How does it work?

ULGM Ambassadors will work as a member of teams assigned to specific neighborhoods. Each team will be composed of multiple 2 member Ambassador Units charged with going door to door in their assigned neighborhoods and engaging residents in a dialogue regarding the community they live in. Once we have developed an in depth understanding of a neighborhood, we will move on to another until we have covered the entire Greater Madison community.

What can I expect as a Volunteer?

- ◆ Commit to at least 1 (3 hour) shift every week.
- ◆ Training will be provided free of charge.
- ◆ Work as a member of a team and develop fun and rewarding relationships.
- ◆ Lend a voice to individuals and families in Greater Madison.
- ◆ Receive a free t-shirt!

When can I Volunteer?

This campaign will begin in mid July and last through the end of September. During that time, you can choose from the following shifts:

- ◆ Mondays 5:00-8:00 pm
- ◆ Tuesdays 5:00-8:00 pm
- ◆ Wednesdays 5:00-8:00 pm
