Accountability Plan for All Achievement Gap Programs and Positions

The following motions were passed by the Board of Education on June 18, 2012, to assure that all staff responsible for the program or position/s follow the following protocol for accountability. Each staff member must submit to the Deputy Superintendent their plans for accountability in sections 1, 2 and 3 by September 1, 2012 (See attached template).

Implementation Plan for All Achievement Gap Programs:

- It was moved by Arlene Silveira and seconded by Beth Moss that the pending motion to approve the preliminary 2012-2013 School District budget be amended to include specific implementation protocol for all programs receiving funding as part of the Superintendent's Final Recommendations for Eliminating Gaps in MMSD Student Achievement (May 31, 2012). Each implementation plan shall include, at a minimum, information pertaining to:
  - a. An implementation timeline;
  - b. Communication to stakeholders;
  - c. Expectations of stakeholders;
  - d. Description of program and anticipated results;
  - e. Training; and,
  - f. Internal point-people.

Accountability for all Achievement Gap Programs

- 2. It was moved by James Howard and seconded by Arlene Silveira that the pending motion to approve the preliminary 2012-2013 School District budget be amended to include specific accountability measures for all programs receiving funding as part of the Superintendent's Final Recommendations for Eliminating Gaps in MMSD Student Achievement (May 31, 2012). Specifically, in order for any program funded as part of the Superintendent's Final Recommendations for Eliminating Gaps in MMSD Student Achievement to receive continued and/or increased funding in future budgets, each program must:
  - a. By November 15, 2012, submit to the Board of Education, proposed progress indicators for improved student achievement for students of color.
  - b. Progress indicators will be defined on a yearly basis for a minimum of 5 years and compared to the initial year of 2011-12.
  - c. Progress indicators will be broken down by African-American, Hispanic, special education and other non-White students affected by the program.
  - d. Progress indicators will include not only student achievement measures but also number of students included.
  - e. Data for each progress indicator will be required before continued or additional funding is approved.

Accountability for all Reading Intervention Programs

 It was moved by James Howard and seconded by Beth Moss that the pending motion to approve the preliminary 2012-2013 School District budget be amended to include specific accountability measures for all reading intervention programs receiving funding pursuant to 2012-2013 budget allocations. Specifically, in order for any reading intervention program being funded during the 2012-2013 school year to receive continued and/or increased funding in future budgets, each intervention must:

- a. By November 15, 2012, submit to the Board of Education, proposed progress indicators for improved student achievement for students of color.
- b. Progress indicators will be defined on a yearly basis for a minimum of 5 years and compared to the initial year of 2011-12.
- c. Progress indicators will be broken down by African-American, Hispanic, special education and other non-White students affected by the program.
- d. Progress indicators will include not only student achievement measures but also number of students included.
- e. Data for each progress indicator will be required before continued or additional funding is approved.

Templates for the Accountability Plan and Progress Indicators are on the next two pages.

#### Accountability Plan for Achievement Gap Programs and Positions

(To be submitted to the Deputy Superintendent by September 1, 2012)

Program or Position:

#### Chapter 1, #1 – Literacy: Ensure All K-12 Students are Reading at Grade Level Mondo Bookshop Pilot

**Implementation Timeline**: 11 pilot schools will implement Mondo Bookshop in grades K-3 during the 2012-13 academic year in grades K-5. One K-2 school will implement K-2.

**Communication to stakeholders**: Regular communication will be established and maintained with Mondo school principals, IRTs, interventionists and instructional staff. Communication vehicles include Gmail, Assistant Superintendent weekly updates and professional development sessions.

**Expectations of stakeholders**: Mondo instructional staff will expect regular communication using the vehicles described above. Ongoing school visits and specific coaching will be provided by school based IRTs and district Mondo coaches.

**Description of program and anticipated results**: The Mondo Bookshop program is a comprehensive literacy program providing teachers with a sequence of instruction. These materials and the related professional development provide the foundation of essential elements for developing proficient readers and writers. Lesson plans, specific student practice materials and assessment tools are key components of this program.

**Training**: There will be four training opportunities for school based IRTs, principals and teacher leaders from each grade level. The Mondo professional developers will also make four site visits throughout the year. District Mondo coaches will visit, support and monitor all schools on an ongoing and continuous basis.

**Internal point-people**: The primary central office point person for communication and professional development is Linda Kailin. Lisa Kvistad provides administrative supervision.
