

Please Note

All students must register at the table located at the entrance to the auditorium.

Students will be called in alphabetical order to the stage.

As students come on stage, they are asked to face the audience and introduce their parents/guardians by name and any other family members. All family members are encouraged to stand as they are introduced.

After the introduction, students will be given their certificate by the Board of Education President and then will be greeted by Board of Education members. Students will exit the stage as the next person comes forward.

Recognition Program

Welcome & Introductions

Jennifer Cheatham
Superintendent of Schools

Overview of Scholarship and Recognition Program

Alex Fralin
Chief of Secondary Schools

Student Responses

Awarding of Certificates

Closing Remarks

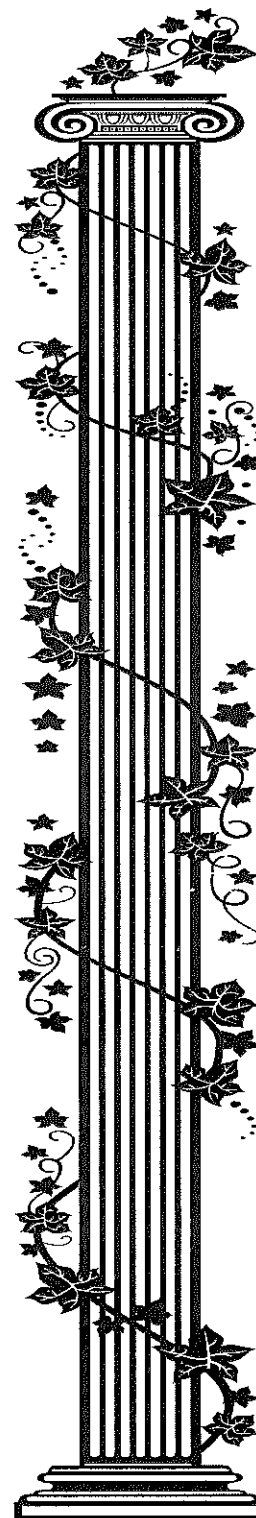

Jennifer Cheatham
