Parking Instructions

Visitor parking is located on the first level of the parking structure located at the northeast corner of Dr. Martin Luther King Drive and Cherry Street. Turn east off of Dr. Martin Luther King Drive onto Cherry Street to enter the parking structure. If visitor parking is full, enter the parking structure through the west entrance located on Dr. Martin Luther King Drive. Event parking will be available to either the right or left upon entering. Enter our World Headquarters from the main entrance that faces the river. Our Ambassadors will be there to greet you. Please do not enter the building on Cherry Street.

IMPORTANT INFORMATION FOR YOUR UPCOMING EVENT

Name Badges/Tags:

Name tags or badges are a required item that outside groups must provide their guests as they enter the building. The name tags/badges need to include first and last name and the name of the meeting or organization hosting the event. This is a security requirement throughout our building and is also a policy for our own employees. There is a registration table in the front lobby that can be used to check in all guests attending the event. These must be worn at all times in the building and we ask that you have a staff member or volunteer from your organization to manage this at the table provided.

Smoking:

Smoking is not allowed in the building or on the grounds. The only allowable area to smoke is on the 3rd floor of the parking structure. For guests and visitors to the building, please use the corner of the River walk near the red sculpture, as there is a garbage can and any remains can be discarded there. For further information, or to determine where smoking is permitted in your location, speak with our front desk ambassadors.

Parking

ManpowerGroup has a visitors parking level in our covered parking garage. The entrance is on Cherry Street directly behind our building. Directions have been or will be provided to the main point of contact for the event. Your guests are welcome to park on the street where signs permit open parking but cannot park in other open surface lots not associated with ManpowerGroup. You will get ticketed or towed if not parked in the above outlined spots.

Dress/Attire:

Visitors/Guests in attendance are required to abide by the ManpowerGroup Business Casual dress code policy when attending events/meetings within our World Headquarters. If you have any further questions on this please ask your on-site event planner. Thank you for your cooperation in maintaining a professional image at ManpowerGroup.

If you have any questions on the above information please ask your assigned event planner or check in at our front ambassador's desk.
