

2009 SENATE BILL 437

December 22, 2009 – Introduced by COMMITTEE ON EDUCATION. Referred to
Committee on Education.

- 1 **AN ACT** *to renumber* 121.006 (1) (a); and *to create* 115.292 and 121.006 (1) (a)
2 2. of the statutes; **relating to:** authorizing the state superintendent of public
3 instruction to direct a school district to implement a new curriculum or
4 instructional design, make personnel changes, or adopt accountability
5 measures, and requiring the exercise of rule-making authority.

Analysis by the Legislative Reference Bureau

This bill provides that if the state superintendent of public instruction determines that a school is in need of improvement for five consecutive school years or that a school district is in need of improvement for four consecutive school years, the state superintendent may direct the school board to do one or more of the following in the school or school district:

1. Implement a new curriculum.
2. Implement a new instructional design, including expanded school hours, additional pupil supports and services, and individual learning plans for pupils.
3. Implement professional development programs focused on improving pupil academic achievement.
4. Make personnel changes that are consistent with applicable collective bargaining agreements.
5. Adopt accountability measures to monitor the school district's finances or to monitor other interventions directed by the state superintendent.

The bill directs the state superintendent to promulgate rules establishing criteria and a procedure for determining whether a school or school district is in need
