

Dear Alternative Supporters,

Although DCTS is an option, we need more alternative programs! DCTS is only one RESOURCE that works for students' at-promise. With 700 to 900 dropouts a year in Dane County, we need to do something. Because of all those students whose needs are not being met by the traditional school, we are holding a SPEAK OUT. The Speak Out will be held in Madison at the top of State Street on the Capitol steps to give everyone the opportunity to voice their thoughts. All who would like to speak will be given 2 to 5 minutes.

We are very excited to have this opportunity to voice our concerns about the direction our schools have taken and continue to take. Please share this event with others who are concerned too.

Place: The STEPS of the CAPITOL – STATE Street Corner

Time: 12:00

Date: Saturday, May 15, 2010

RSVP: please email us at: www.dctsalternative@gmail.com

Check in will be at the STATE Street Corner. We will start the speaker list at 11:30 EVEN if you have RSVP'd! You will receive a t-shirt and number upon signing up.

Every 26 seconds, a student in our nation drops out of school. Let's change this number by getting active and taking a stand for non-traditional education.

Please send all interests, inquiries and responses to dctsalternative@gmail.com. Also, check out our blog at <http://dctseducation.blogspot.com/>, and our website, dctseducation.com.

Sincerely,

DCTS Students and Staff
