

The Madison Police Department investigated an incident that occurred outside our school, on Ash Street, at approximately 12:30 p.m. on Friday. A 19 year-old man (former student) was crossing the street with a student, when he was bumped by a vehicle. Words were exchanged with the passenger of the vehicle and this resulted in the pedestrian being threatened with a gun. The vehicle quickly left the area when a police squad car was observed in the vicinity. A police investigation consequently led to the arrest of the driver and passenger, as well as to the recovery of two guns.

I am sharing this information with you to keep you updated about incidents that occur in our school or in the vicinity of our school. In this particular incident, the police quickly responded to the area and appropriate steps were taken to ensure the safety of our school.
